The Solution Selling Mindset

Solution Selling Sales Cycle

Solution selling is the process of selling the customer a solution to their problems as opposed to a product or service. The term is associated with the sales of products and services that can be used as the building blocks of a custom implementation. Solution selling is common in areas such as construction services, software and outsourcing sales.

The 7 Stages of the Solution Selling Process - Simplifiable

You've probably heard of solution selling -- maybe it's your strategy of choice. Solution selling is a sales methodology that became popular in the 1980s. The formula is pretty simple: The salesperson diagnoses her prospect's needs, then recommends the right products and/or services to fill those needs. The prospect might not know he has a problem or opportunity, let alone what it looks like, how urgent or important it is, and how he should address it.

Solution Selling: The Ultimate Guide

Solution Selling has paved the way for other selling approaches in the sales world like SPIN selling, Consultative selling, RAIN selling, and Customer-Centric selling. The core parts of these selling strategies mirror each other: sales reps spend a lot of time during the selling cycle persuading a customer that their product is better than their competitors.

Solution Selling: The Comprehensive Guide | Pipedrive

Solution Selling is ideal when selling a product with lots of variables and options as it helps prospects gain clarity on their needs and which solution is best for them. It can be applied to something as simple as selling a new TV to complex B2B sales.

Solution Selling - The Four Essential Steps of the ...

The solution selling process is exactly what it sounds like: selling a customer on a solution (your business or product) that helps them overcome a problem. A solution selling process differs from a more traditional sales process because,

instead of just pushing a product, the seller focuses on a specific issue or problem the customer faces and suggests corresponding services or products to solve that issue.

Why You Should Use the Solution Selling Process ...

Solution-selling companies seem to have marketing programs that struggle to support sales effectively. Value propositions that sales reps can take to their customers are often difficult to tailor or quantify, nor are they modular. The biggest gap to close between top and average performers lies in managing channel partners.

The Powerful and Proven Solution Selling(R) Process, Updated for Today's High-Speed, Higher-Pressure Sales Challenges. The original Solution Selling rewrote the rules for the sales profession. Today, the revolutionary yet practical Solution Selling method remains the primary selling process for salespeople competing in every industry around the world, and in every size of business--from the ...

The New Solution Selling: The Revolutionary Sales Process ...

The presentation is the core of every sales cycle, and it's probably where you'll invest the most preparation time. Keep in mind that you're not just selling your product, you're selling how your product will solve your prospect's problem. You're also selling yourself as a person to trust when it comes to finding a solution for your prospect.

How to Master the 7 Stages of the Sales Cycle

Sometimes this is also referred to as solution-based selling. Solution selling is a sales methodology. Rather than just promoting an existing product, the salesperson focuses on the customer's pain (s) and addresses the issue with his or her offerings (product and services).

The 6 Principles of a Consultative Sales Process

Traditional solution selling is based on the premise that salespeople should lead with open-ended questions designed to surface recognized customer needs. Insight-based selling rests on the belief...

The End of Solution Sales - Harvard Business Review

A sales process is a template for achieving sales objectives and replicating a desired level of performance by sales reps. It lays out a repeatable series of steps a salesperson takes to turn an early stage lead into a new customer. Each step in a sales process may consist of several separate selling activities. An effective sales process is:

Building a Sales Process: 7 Steps for Consistent Wins

Solution selling is a type and style of sales and selling methodology. Solution selling has a salesperson or sales team use a sales process that is a problem-led (rather than product-led) approach to determine if and how a change in a product could bring specific improvements that are desired by the customer. The term "solution" implies that the proposed new product produces improved outcomes and successfully resolves the customer problem.

Solution selling - Wikipedia

Focus on Selling the Solution, not

Products A product or service sale results from solving a problem. Whether it be a person or a company, you don't buy the bottle of vitamin water because you like the colour. You purchase it as a means to quench your thirst.

5 Steps to Selling the Solution, Not Just the Product

Solution selling is complex and very exciting. Whether you're selling Business Process Automation (BPA) or another form of solution it is likely that you have tough job that involves a great deal of complexity. This stuff's chess; it ain't checkers.
