Thinking About God In An Age Of Technology [PDF, EPUB EBOOK]

Thinking About God is written to explain, in non-theological language, what some of God is all about. It is a series of short meditations on some of the major words that we find in talk about faith, meditations in which the author re-images these words into more conventional language, language to which most of us can relate.

Thinking about God and thinking with God are not the same things. If you hope to experience a more loving, joyful and sustainable interactive relationship with God and others; if you desire an empowering shift in your true identity in Christ and to be progressively conformed to the image of Jesus Christ; if you want to learn from an expert who has engaged these subjects for many years in the trenches of real-life struggles; then you need to learn to think with God.

Thinking about God addresses the genuinely intertextual

nature of evolving Jewish God concepts. Just as in Jewish thought the Bible and other historical texts are living documents, still present and relevant to the conversation unfolding now, and just as a Jewish theologian examining a core concept responds to the full tapestry of Jewish thought on the subject all at once, this book is organized topically, covers Jewish sources (including liturgy) from the biblical to the postmodern era, and ...

We can do this by reading the Bible, absorbing the words of God, and thinking upon the man who is described as the word made flesh, that of course is the Son of God, Jesus Christ. We need to think about what he said, what he did, how he acted, and how everything thing he did was all about his Father in heaven. Every single thing he did or said was declaring his Father, he put God's thinking within himself, as God breathed out his word, Jesus breathed it all in.
