Not everyone may be as direct or as confrontational as Lacy, but in Music And The Creative Spirit Peterson has created a wonderfully unbiased exploration of what it is to make music. Because it's a series of interviews it's a book that you can read in dribs and drabs; but by the time you've read the last interview (arranged alphabetically as there's no specifically intentioned, linear arc) you'll have a greater insight into what that process is.
