Wifey by Judy Blume, Paperback | Barnes & Noble®

The story follows the life of bored 1970s New Jersey housewife, Sandy Pressman, who decides to reinvigorate her life by having an extramarital affair with an old high school boyfriend. This decision is complicated when she accidentally discovers evidence her husband might be having a long-term affair. Somewhat emblematic of the time period of open

marriages and different mores, this was the first novel by Blume to directly address adult lives and sexuality.
