How Do I Un-Remember This?

Unfortunately True Stories *Sourcebooks, Inc.*

Instant New York Times Bestseller From the host of Everything Iconic with Danny Pellegrino comes a collection of stories you'll be glad didn't happen to you. Think of the most embarrassing thing that's ever happened to you. Was it the time your high school cheer squad taunted you in front of the entire town? Was it the time your best friend's mom caught you streaking in all your naked, self-conscious glory? What about the time you accidentally threw a tooth at your dry cleaner or took an urn into Kohl's for some holiday shopping? For Danny Pellegrino, the answer is all of the above. Growing up as a closeted gay kid in small-town Ohio wasn't easy, and Danny has the stories to prove it. But coming of age in the 90s still meant something magical to Danny. The music, film, and celebrity moments of his youth were truly iconic, and his love for all things pop culture connected him to a world larger than the one he knew in the suburban Midwest. And through all the pains of growing up, Danny could always look to that world for hope—whether that meant bingeing *The Nanny* until he had the confidence of Fran Fine, belting out Brandy songs until his heartaches were healed, or watching semi-clothed Ryan Phillippe scenes until his cheeks burned from blushing. With refreshing honesty and jaw-dropping absurdity, Danny invites readers to experience his most formative moments in life—from his hometown in Ohio to his hit podcast and career in entertainment today. *How Do I Un-Remember This?* is an unfiltered and all-too-relatable glimpse into Danny's life and the heartfelt and hilarious moments that shaped it. Although he wouldn't change them for the world, these stories are—unfortunately—true.

So How Do I Parent THIS Child?

Discovering the Wisdom and the Wonder of Who Your Child Was Meant to Be *Moody Publishers*

Parents don't determine who their kids become. They steward them into who they're meant to be. One of the most common myths in parenting books—you see it everywhere—is that parents are responsible for who their children turn out to be. Proper input yields proper output, or so the thinking goes. But that mindset works with machinery, not people. The truth is, your child has a unique set of traits—their giftedness—that only they possess. The parent's job isn't to crank out a product, but to point an individual human being toward a healthy, flourishing life. In *So How Do I Parent THIS Child?*, brother and sister duo Bill Hendricks and Bev Hendricks Godby team up to help you understand the difference between producing a product and parenting a person. They take you through all the stages of child rearing—from diapers to driver's licenses to diplomas—to give you a comprehensive look at how identifying giftedness and helping your children discover it for themselves makes all the difference. As a parent, you've got a lot of challenges ahead. But with intentionality and an

individualized approach, you'll see your kids grow up to become the mature and confident adults that they're intended to be.

How Do I Fit In?

A Swedish Family History *iUniverse*

“They were ordinary people caught in an extraordinary time.” The ship’s engines made a deep rumbling sound like thunder and there was a steady tremor under their feet. Then the ship’s whistle blew loud and long. The engines began a steady drumbeat, which was even louder than the rumbling sound. Charlie and Ida looked at each other. Ida could see fear in Charlie’s eyes. The next moment, Charlie hugged her, and she returned his embrace. “I guess we’re off to America!” Charlie shouted. “There’s no turning back now!” So begins the story of six siblings, who in the 1800s, filled with courage and hope, left their home in Sweden to discover a new life in America. Driven to escape hunger and poverty, they were lured by an enticing vision. But in following this vision, they must leave behind all they knew and all those they loved to face an uncertain destiny. But the six didn’t arrive in America together. Each made their own journey and each has a unique story to tell. They experienced dangers, hard times, and loneliness, as they labored to tame the vast Nebraska prairie into prosperous farms. Some were more successful than the others. Some would leave Nebraska behind to find their destiny farther out west. In spite of hardships and poverty, enduring tragedies, even violence and suicide, they forged on to create a life in America. These six siblings are true American pioneers and are part of the bigger picture of all immigrants that came to America. The stories of Nils August the Trailblazer, Ida the Survivor, old Charlie One-Eye, and Hilda the Ice Lady are but a few of the fascinating characters that live in this colorful family saga. The story of the siblings is one that is rich in American history and speaks to their descendants and to all people of the 21st century. Much can be learned about ourselves by reflecting where we came from and looking forward to what we can become.

Brother Swaggart, How Do I Live a Victorious Life *Jimmy Swaggart Ministries*

• It was to Paul that the Lord gave the meaning of the New Covenant, which is the meaning of the Cross, which incorporates the entire Plan of God. • Paul, as no other Prophet or Apostle, tells us how to live a Victorious Life in Christ. Although it runs through the entirety of his Epistles, the greater thrust is found in Romans, Chapters 6, 7, and 8. • While one can be Saved without understanding what Paul taught about the Victorious Life, pure and simple, one cannot walk in victory without understanding this great truth. • The truth represented in this book, "Brother Swaggart, How Do I Live A Victorious Life?" is that which was given to Paul and then Paul gave it to us. I believe the information contained therein, can and will totally revolutionize your life and living.

How Do I Tax Thee?

A Field Guide to the Great American Rip-Off

Libertarian journalist Kristin Tate provides a look into the wild world of frivolous taxation, aimed at educating members of her own generation in the evils of big government. In How Do I Tax Thee?, libertarian commentator and rising media star Kristin Tate takes us on a tour of the ways the government bleeds us dry in innumerable daily transactions and at various stages of life. We all know the government taxes our pay: federal, state, and local taxes are withheld by employers, as are social security payments. But what about the many other ways the government drains money from our wallets? Have you studied your cell phone bill? Customers in New York State pay an average of 24.36% in federal, state and local taxes on their wireless bills. They're also charged for obscure services they didn't ask for and don't understand like a universal service fund fee, an FCC compliance fee, a line service fee, and an emergency services fee. These aren't taxes, strictly speaking. The government imposes these administrative and regulatory costs, and your wireless provider passes them along to you. But the effect is exactly the same. What about your cable bill? Your power bill? Your water bill? The cost of a gallon of gas, a cab ride, a hotel stay and a movie ticket are all inflated by hidden fees. How much of what you pay at the pump, the box office, or the airport is really an indirect tax? In a series of short, pointed, fact-laden, humorous chapters, Tate exposes the vast government shakedown that consumes up to half of your income—and also explains where these hidden fees and taxes come from.

This book is filled with hints and tips on ways to resolve some situations that the average person will encounter in their everyday life. I have tried to suggest results that use everyday household items, or easily obtained materials. Hopefully, everyone will be able to use most of these ideas, either for themselves or for someone they know. I have used most of the suggestions and the rest come highly recommended. I have collected these hints since 1960 from many sources.
