How To Save A Life *Usborne Publishing Ltd*

Jill's life lost all meaning when her dad died. Friends, boyfriend, college – nothing matters any more. Then her mom drops a bombshell: she's going to adopt a baby. Mandy is desperate for her life to change. Seventeen, pregnant and leaving home, she is sure of only one thing – her baby must never have a life like hers,

whatever it takes. As their worlds change around them, Jill and Mandy must learn both how to hold on and how to let go, finding that nothing is as easy - or as difficult - as it seems. Heart-achingly beautiful, moving and funny, How to Save a Life has been named a Publishers Weekly Best Book of 2011, a School Library Journal Best Book of 2011 and an American Library Association 2012 Top Ten Best Fiction for Young Adults. "A rich tapestry of love and survival that will resonate with even the most cynical readers." - Booklist

How to Save a Life

The Inside Story of Grey's Anatomy *St. Martin's Press*

The first inside story of one of TV's most popular and beloved dramas, Grey's Anatomy. More than fifteen years after its premiere, Grey's Anatomy remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as "McDreamy," "seriously," and "you're my person." And the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of Isaiah Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's How to Save A Life takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no Grey's Anatomy fan should be without.

How to Save a Life

A Novel *Ballantine Books*

"What does it take to make a hero? Junior doctor Kerry Smith is addicted to rescuing others. Eighteen years ago, on the eve of the millennium, she saved the life of teenage footballer Joel Greenaway who 'died' for eighteen minutes. But life after death doesn't guarantee a happy ending"--

How To Save A Life

There's more than one way to save a life...Riley James has everything to live for, a business to grow, goals to achieve. After everything she's overcome, there's no way she's going to let anyone get in the way of her hopes and dreams. Not even a handsome businessman who makes her a crazy offer she would be even crazier to refuse. Jordan West has everything a man could want. And yet it all feels so meaningless. But when tragedy strikes and he's entrusted with the care of a two-year-old toddler, life doesn't seem so meaningless anymore. Jordan West suddenly has everything to live for. Problem is...how does he hold on to that feeling?

How to Save a Life *Lake Union Publishing*

The bestselling authors of The Good Widow deliver a modern, suspenseful twist on Groundhog Day that asks the question: How far are you willing to go to save the life of someone you love? Dom is having a very bad day--one he literally can't escape. When Dom bumps into Mia, his ex-fiancée whom he hasn't seen

in almost a decade, he believes they've been given a second chance and asks her out. When Mia dies tragically on their date, Dom makes a desperate wish: to be given the chance to save her life. And when he wakes the next morning to the shock that she's alive, he thinks his wish may have been granted. But day after day, no matter what he changes about their time together, she still meets a terrible fate. Dom frantically searches for answers to save his beloved Mia and rekindle their former love. But the further he digs, the more obsessed he becomes, making him realize that slowing down time may be the only way to see things clearly. As he's forced to confront the truth about himself and those he's closest to, Dom vows that he'll watch Mia die a thousand times if it means he can save her once.

How to Save a Life *Simon and Schuster*

Groundhog Day meets Grey's Anatomy in this heartfelt novella with a hint of magic from the internationally bestselling author of *The Sweetness of Forgetting* and *The Life Intended*, in which a woman with only a short time to live discovers she can repeat the same day over and over until her life feels complete. When a pediatric oncology nurse receives a devastating prognosis—she has just weeks left to live—she finds unexpected comfort from a patient. Her young friend shares a life- and death-changing secret: it is possible to live the same day over and over again until she's experienced a truly full life. Thus begins a heartbreaking and joyful journey of love, friendship, and self-discovery, as the brave nurse only truly learns how to live in the face of death. Kristin Harmel, whose work has been called "immersive and evocative" (*Publishers Weekly*), "absorbing...well-paced and warmhearted" (*Kirkus Reviews*), and "absolutely enthralling" (*Fresh Fiction*), infuses her poignant, uplifting novella with a dash of magic and a hefty dose of heart.

This Book Will Save Your Life *Penguin*

Since her debut in 1989, A. M. Homes has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her ability to explore how extraordinary the ordinary can be is at the heart of her touching and funny new novel, her first in six years. *This Book Will Save Your Life* is a vivid, uplifting, and revealing story about compassion, transformation, and what can happen if you are willing to lose yourself and open up to the world around you.

How to Save Your Life One Chapter at a Time

A Step-By-step Guide to Creating a Life Story Book

The painless way to write, design, and publish your memoir, autobiography, or family history book. *How to Save Your Life-One Chapter at a Time* will take you through the process of creating a life story book, step by step, from writing to photos to design and publishing, in a friendly and engaging way.

How to Save a Life *Createspace Independent Publishing Platform*

Josephine Clark is trapped. A harrowing past haunts her every time she looks in the mirror, and she can't escape the violence of her everyday life. More and more, her thoughts turn to Evan Salinger, the boy she knew in high school. The boy they called a mental case. A loner. A freak. The boy who seemed to know things no one could know. For a few short weeks, Jo had found perfect solace in Evan's company, sneaking every night to meet him at the local pool. In the cool of the water and the warmth of Evan's arms around her, Jo had tasted something close to happiness. Cruel circumstances tore them apart, and four years

later, the sweet memory of their time together is dissolving under the punishing reality of Jo's life now. Evan seems like a fading dream...until he reappears at the moment she needs him most. Guided by Evan's strange intuition, they flee her small Louisiana town, on the run from the police, and Jo begins to suspect there is something more to his sudden return than he admits. Over twelve days across America's heartland, deep secrets come to light, buried pasts are unearthed, and the line between dreams and reality is blurred as Evan and Jo fight to hold on to their soul-deep love, and discover that there is more than one way to save a life. *How to Save a Life* is a complete second-chance STANDALONE novel with shades of the paranormal. It carries the characters from high school through to their early twenties. It is not YA; mature subject matter and sexual situations. TRIGGER WARNING: some domestic violence (on the page) and mentions of sexual abuse (off the page) For readers 18 years and up.

How to Save a Life *HarperCollins UK*

'A heartwarming and thought-provoking story of grief, redemption and reinvention in our modern world.' Imogen Clark, bestselling author of *Where The Story Starts*

The Life You Can Save

Acting Now to End World Poverty *Random House*

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In *The Life You Can Save*, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. *The Life You Can Save* teaches us to be a part of the solution, helping others as we help ourselves.

This Song Will Save Your Life

A Novel *Farrar, Straus and Giroux (BYR)*

Making friends has never been Elise Dembowski's strong suit. All throughout her life, she's been the butt of every joke and the outsider in every conversation. When a final attempt at popularity fails, Elise nearly gives up. Then she stumbles upon a warehouse party where she meets Vicky, a girl in a band who accepts her; Char, a cute, yet mysterious disc jockey; Pippa, a carefree spirit from England; and most importantly, a love for DJing. Told in a refreshingly genuine and laugh-out-loud funny voice, Leila Sales' *THIS SONG WILL SAVE YOUR LIFE* is an exuberant novel about identity, friendship, and the power of music to bring people together.

How to Save Your Own Life *Penguin*

Erica Jong--like Isadora Wing, her fictional doppelganger--was rich and famous, brainy and beautiful, and soaring high with erotica and marijuana in 1977, the year this book was first published. Erica/Isadora are the perfect literary and libidinous guides for those readers who want to learn about-or just be reminded of-the sheer hedonistic innocence of the time. *How to Save Your Own Life* was praised by *People* for being "shameless, sex-saturated and a joy," and hailed by Anthony Burgess as one of the ninety-nine best novels published in English since 1939.

How to Save a Life

The Inside Story of Grey's Anatomy *St. Martin's Press*

THE NEW YORK TIMES BESTSELLER The first inside story of one of

TV's most popular and beloved dramas, Grey's Anatomy. More than fifteen years after its premiere, Grey's Anatomy remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. This exhaustively enthusiastic book is one that no Grey's Anatomy fan should be without.

The Wrong Way to Save Your Life

Essays *HarperCollins*

From an important new American writer comes this powerful collection of personal essays on fear, creativity, art, faith, academia, the Internet, and justice. In this poignant and inciting collection of literary essays, Megan Stielstra tells stories to ward off fears both personal and universal as she grapples toward a better way to live. In her titular piece "The Wrong Way To Save Your Life," she answers the question of what has value in our lives—a question no longer rhetorical when the apartment above her family's goes up in flames. "Here is My Heart" sheds light on Megan's close relationship with her father, whose continued insistence on climbing mountains despite a series of heart attacks leads the author to dissect deer hearts in a poetic attempt to interrogate her own feelings about mortality. Whether she's imagining the implications of open-carry laws on college campuses, recounting the story of going underwater on the mortgage of her first home, or revealing the unexpected pains and joys of marriage and motherhood, Stielstra's work informs, impels, enlightens, and embraces us all. The result is something beautiful—this story, her courage, and, potentially, our own. Intellectually fierce and viscerally intimate, Megan Stielstra's voice is witty, wise, warm, and above all, achingly human. "Stielstra is a masterful essayist."—Roxane Gay, author of *Bad Feminist* and *Hunger*

Writing to Save a Life

The Louis Till File *Simon and Schuster*

Wideman "traces the life of the father of iconic civil rights martyr Emmett Till--a man who was executed by the Army ten years before Emmett's murder--presenting an ... exploration of individual and collective memory in America by one of the most formidable black intellectuals of our time"--Amazon.com.

Ideas to Save Your Life

Philosophy for Wisdom, Solace and Pleasure *Text Publishing*

A profound, uplifting and accessible introduction to key philosophical ideas and their relevance to everyday life.

Rock and Roll Will Save Your Life

A Book by and for the Fanatics Among Us *Random House*

Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that's spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he's secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he's content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. *Rock and Roll Will Save Your Life* traces Almond's passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the delusional power of songs, the awkward mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes: • sometimes drunken interviews with America's finest songwriters • a recap of the author's terrifying visit to Graceland while stoned • a vigorous and credibility-shattering endorsement of Styx's Paradise Theater • recommendations you will often choose to ignore • a reluctant exegesis of the Toto song "Africa" • obnoxious lists sure to piss off rock critics But wait, there's more. Readers will also be able to listen to a special free mix designed by the author, available online at www.stevenalmond.com, for the express purpose of eliciting your drool. For those about to rock—we salute you!

To Save a Life *Youth Specialties*

Book only - based on the screenplay of the theatrical movie. Includes additional scenes not shown in the film. Addresses real-life challenges of teens and their choices. Communicates the concept that we are never more like Jesus than when we are reaching out to the lonely and hurting. Powerful novel that makes a heart impact.

This Book Could Save Your Life

The Real Science of Living Longer Better *Nicholas Brealey*

You are what you eat. Food and diet have an enormous influence on your health and well-being, but eating the right amount of the right things - and not too much of the wrong things - isn't easy. But, as in most walks of life, knowledge is power. This book will empower you to eat healthily, lose weight, and sort the fads from the science facts. This is the New Scientist take on a "New Year, New You" book: an eye-opening and myth-busting guide to everything from sugar to superfoods, from fasting to eating like a caveman and from veganism to your gut microbiome. Forget faddy diet books or gimmicky exercise programs, this is what is scientifically proven to make you live longer and to be healthier and happier.

How to Save a Life

Poems and Inspirations *Xlibris Corporation*

I am an infant to this thing called poetry, the poems I write are just nursery rhymes in comparison to what I've read heard and seen from other artist. One brother shared with me his books and I was astonished at his work. He used word and meanings to express his heart that I have just begun to understand. In the context of what he had expounded to me lead me to the different styles of writing. I have no teaching in poetry nor did I go and

read a lot of poems to get what I have today.

Emergency

This Book Will Save Your Life *Harper Collins*

Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. **I've started to look at the world through apocalypse eyes.** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller *The Game*, and one of the most original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes—and now of world financial meltdown—Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked *The Game*, *The Dirt*, and *How to Make Love Like a Porn Star*, *Emergency* traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world—and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

How to Save a Life

A Novel *Ballantine Books*

In this moving love story, three friends find out what it really means to save someone. “A heart-stopping, heart-wrenching, and heartwarming story that kept me reading well into the night.”—Clare Pooley, New York Times bestselling author of *The Authenticity Project* Kerry Smith is going to save lives—and so is her best friend, Tim Palmer. After years of working toward medical school, they are about to take their entrance exams. But on the eve of the new millennium, a classmate goes into cardiac arrest, changing everything. For nearly eighteen minutes, rising soccer star Joel Greenaway is dead. For nearly eighteen minutes, Kerry performs CPR on her longtime crush. And for nearly eighteen minutes, Tim is too shocked to help. Though they don't yet know it, those eighteen minutes will change the next eighteen years of their lives. Because, as it turns out, saving a life doesn't always guarantee a happy ending. With his soccer career cut short, Joel lashes out and breaks Kerry's heart by ending their burgeoning relationship with a cruelty that derails her future, while Tim struggles to reconcile his dream of becoming a doctor with the reality of failing to act. As each struggles to move on from the events of that fateful New Year's Eve, their lives can't seem to stop colliding year after year. Ensnared by their shared histories and her big heart, Kerry soon finds herself picking up the pieces after both broken men. But when Kerry is the one who needs saving, will anyone be there for her? As Kerry, Tim, and Joel discover what it means to love, to forgive, and to find your calling, *How to Save a Life* shows us that there is more than one way to save a life—and more than one path to finding meaning in

your own.

How to Save a Life Sheet Music *Hal Leonard*

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Poetry Will Save Your Life

A Memoir *Simon and Schuster*

"An unconventional and inventive coming-of-age memoir organized around forty-three remarkable poems by poets such as Robert Frost, Emily Dickinson, Wallace Stevens and Sylvia Plath ... For Jill Bialosky, certain poems stand out like signposts at pivotal moments in a life: the death of a father, adolescence, first love, leaving home, the suicide of a sister, marriage, the birth of a child, the day in New York City the Twin Towers fell ... she illuminates the ways in which particular poems offered insight, compassion, and connection, and shows how poetry can be a blueprint for living"--

The Fray - How to Save a Life (Songbook) *Hal Leonard Corporation*

(Easy Piano Personality). Matching folio to the debut CD from this Denver-based modern rock band. 12 songs, including: All at Once * Dead Wrong * Fall Away * Heaven Forbid * How to Save a Life * Hundred * Little House * Look After You * Over My Head (Cable Car) * She Is * Trust Me * Vienna.

How to Save a Life

Rav Miller looked into the terrified, intelligent eyes of the chocolate Labrador on death row, and knew he'd do anything to save him. When the dog, Sammy, escapes and heads to Mad Creek, Rav follows. Mad Creek. The town had become legendary in Rav's mind after he'd met that bizarre group last year. Rav dismissed his crazy suspicions back then, but when he arrives in Mad Creek, he knows it's true. Dog shifters exist, and apparently they all live in the California mountains. It's enough to blow a bad boy's mind.Sammy has something in common with Rav--neither one of them trusts people. After Sammy's abuse as a dog, he particularly dislikes tough-looking men like Rav. But when Sammy gets a chance to work with rescued dogs at the new Mad Creek shelter, his deep compulsion to help others overcomes his fear. Rav and Sammy bond over saving strays. If they can each find the courage to let someone else in, they might find their way to love.Sheriff Lance Beaufort doesn't like humans moving into Mad Creek, especially not the tattooed and defiant Rav. When Rav starts a rescue shelter, the town thinks he's wonderful! But Lance isn't fooled. He doesn't buy Rav's innocent act for one second. How much does Rav know about the quickened? What is his game? And why did he have to show up now, when Lance and the other town leaders are overwhelmed by all the new quickened pouring in?Rav knows how to save a life. But can he save an entire town? Can he rescue Mad Creek?This is an 80,000 word novel, book #4 in the "Howl at the Moon" series. It features a new couple and can be read as a standalone, but we recommend reading the series in order.

Writing to Save Your Life

How to Honor Your Story *Fastpencil Incorporated*

Using her background as a journalist, professor of journalism, author and storyteller, Michele Weldon masterfully outlines the steps for you to tell your own story. Whether you intend to write a memoir or essays for publication, or articulate your story for yourself, using the trademarked method of Scribotherapy, Weldon offers insights, lessons and examples of writing to forge a clear path to telling your story. The author of four nonfiction books and several book chapters, a columnist and popular keynote speaker, Weldon is the owner of her own Writing To Save Your Life memoir workshops. With this writing pedigree, Weldon is positioned to instruct and inspire anyone who wishes to embark on a personal writing journey or to polish skills already in practice.

How to Save a Life *Little, Brown Books for Young Readers*

Jill MacSweeney just wishes everything could go back to normal. But ever since her dad died, she's been isolating herself from her boyfriend, her best friends -- everyone who wants to support her. When her mom decides to adopt a baby, it feels like she's somehow trying to replace a lost family member with a new one. Mandy Kalinowski understands what it's like to grow up unwanted -- to be raised by a mother who never intended to have a child. So when Mandy becomes pregnant, one thing she's sure of is that she wants a better life for her baby. It's harder to be sure of herself. Will she ever find someone to care for her, too? As their worlds change around them, Jill and Mandy must learn to both let go and hold on, and that nothing is as easy -- or as difficult -- as it seems.

12 Birds to Save Your Life

Nature's Lessons in Happiness *Penguin UK*

Find solace, hope and happiness through 12 fascinating birds whose song is never far away - if only we know where to look . . . 'A lyrical and life-affirming book that teaches us as much about birds as it does ourselves - a balm for the soul' Raynor Winn, author of *The Salt Path* 'Charlie has opened my eyes to the constant joy of the sights and sounds of the birds that surround us. It is a book that really will save lives' Dr Richard Shepherd, author of *Unnatural Causes* _____ After the tragic loss of his mother, Charlie Corbett felt trapped by his pain. Having lost all hope and perspective he took to the countryside in search of solace. There, he heard the soaring, cascading song of the skylark - a sound that pulled him from the depths of despair and into the calm of the natural world. Weaving his journey through grief with a remarkable portrait of the birds living right on our doorstep, *12 Birds to Save Your Life* is an invitation to stop, step outside, and listen. By following Charlie's path, opening your eyes and ears to what has been there all along, you will discover how nature can set you free.

Your Art Will Save Your Life *Feminist Press at CUNY*

"A survival guide for the creatives among us." —Nicole Georges, author of *Fetch: How a Bad Dog Brought Me Home* As a teenager visiting the Andy Warhol Museum, Beth Pickens realized the importance of making art. As an adult, she has dedicated her life to empowering working artists. Intimate yet practical, *Your Art Will Save Your Life* helps artists build a sustainable practice while navigating the world of MFAs, residencies, and institutional funding.

How Pi Can Save Your Life

Using Math to Survive Plane Crashes, Zombie Attacks, Alien Encounters, and Other Improbable, Real-World Situations *Simon and Schuster*

Discover how you can guard a priceless painting in the Louvre, pilot a space shuttle back to Earth, and survive other ridiculous-yet-possible scenarios using the all-encompassing power of mathematical equations. Whether you paid much attention in math class or not, the inescapable truth is that real life is full of equations. You use differentiation when driving from point A to B and apply basic geometry when you're crossing the road between traffic, even if you don't realize it. But what if you were plummeting to your death inside a plane with no engine and you needed to know what size parachute to make from your cabinmate's sari in order to jump and survive? *How Pi Can Save Your Life* tackles some frankly ridiculous scenarios with essential, bullet-proof equations that you'll probably never apply in real life. But before you get into the life-saving mathematics, this book will start you off with the essential math that will be the key to taking on the wild scenarios later on in this book. Using only the power of equations, you will be able to: Communicate with an alien civilization Save your town from a zombie apocalypse Contain a major oil spill Excavate a fossil that could be a major scientific discovery Perform Hollywood stunts in a blockbuster action film And more! *How Pi Can Save Your Life* will take your basic understanding of mathematical equations to the next level, teaching you that the real key to surviving in an unpredictable world is understanding the natural forces and relationships that rule everything we do.

The Gift

12 Lessons to Save Your Life *Scribner*

This practical and inspirational guide to healing from the award-winning, New York Times bestselling author of *The Choice* shows us how to stop destructive patterns and imprisoning thoughts to find freedom and enjoy life. Edith Eger's powerful first book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Oprah Winfrey says, "I will be forever changed by Dr. Eger's story." Thousands of people around the world have written to Eger to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain; and to ask her to write another, more "how-to" book. Now, in *The Gift*, Eger expands on her message of healing and provides a hands-on guide that gently encourages us to change the thoughts and behaviors that may be keeping us imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself, the prison within her own mind. She describes the twelve most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. Accompanied by stories from Eger's own life and the lives of her patients each chapter includes thought-provoking questions and takeaways, such as: -Would you like to be married to you? -Are you evolving or revolving? -You can't heal what you can't feel. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and enjoy life.

How Dante Can Save Your Life

The Life-Changing Wisdom of History's Greatest Poem *Simon and Schuster*

The opening lines of *The Divine Comedy* by Dante Alighieri launched Rod Dreher on a journey that rescued him from exile and saved his life. Dreher found that the medieval poem offered him a surprisingly practical way of solving modern problems. Following the death of his little sister and the publication of his New York Times bestselling memoir *The Little Way of Ruthie Leming*, Dreher found himself living in the small community of Starhill, Louisiana where he grew up. But instead of the fellowship he hoped to find, he discovered that fault lines within his family had deepened. Dreher spiraled into depression and a stress-related autoimmune disease. Doctors told Dreher that if he didn't find inner peace, he would destroy his health. Soon after, he came across *The Divine Comedy* in a bookstore and was enchanted by its first lines, which seemed to describe his own condition. In the months that followed, Dante helped Dreher understand the mistakes and mistaken beliefs that had torn him down and showed him that he had the power to change his life. Dreher knows firsthand the solace and strength that can be found in Dante's great work, and distills its wisdom for those who are lost in the dark wood of depression, struggling with failure (or success), wrestling with a crisis of faith, alienated from their families or communities, or otherwise enduring the sense of exile that is the human condition. Inspiring, revelatory, and packed with penetrating spiritual, moral, and psychological insights, *How Dante Can Save Your Life* is a book for people, both religious and secular, who find themselves searching for meaning and healing. Dante told his patron that he wrote his poem to bring readers from misery to happiness. It worked for Rod Dreher. Dante saved Rod Dreher's life—and in this book, Dreher shows you how Dante can save yours.

All We Can Save

Truth, Courage, and Solutions for the Climate Crisis *One World*

NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. "A powerful read that fills one with, dare I say . . . hope?"—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it's clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it's a dynamic that sets us up for failure. To change everything, we need everyone. *All We Can Save* illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our

resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. With essays and poems by: Emily Atkin • Xiye Bastida • Ellen Bass • Colette Pichon Battle • Jainey K. Bavishi • Janine Benyus • adrienne maree brown • Régine Clément • Abigail Dillen • Camille T. How to Save a Life (The Haven Book 1)

Sloan Parker Press

Reporter Kevin Price has a knack for tripping over his own feet. And everyone else's. He's in over his head undercover at the Haven, a swanky gay sex club, determined to find out why members of the club keep vanishing. Five minutes inside and he can no longer deny the truth about his sexuality. He turns to the one man he can't get out of his head, the sexy ex-cop handling security. Too bad Kevin doesn't trust cops. Not since the only night he let himself be with another man. Walter Simon doesn't do the club scene anymore. Not since he found love and lost it. That doesn't mean he'll let anyone hurt more innocent gay men. Even if that means going head-to-head with the klutzy, closeted, much-younger reporter. Kevin has information about the disappearances. Better to keep him close. And safe. Neither is at the club to hook up or fall in love. Now they must work together amid their growing passion in order to uncover the truth before more men disappear. Note: *How to Save a Life* features Walter Simon, a secondary character from *MORE*, but can be read as a stand-alone story. This book contains explicit sexual content and graphic language.

How to Save a Life ...

To Save a Life

Dare to Make Your Life Count *Youth Specialties*
