The #1 customer complaint are hourly labor costs. If a repair costs a total of \$216.00 to install a part, presenting the repair as a flat rate, your customer knows exactly how much they will be paying up front. When you present the cost as \$38 for the part, \$79 for your service charge and \$99 for labor, many times your customer will ask how much time you expect to spend on the repair to justify the \$99 labor.
