Product knowledge is one of the key responsibility areas for the customer service teams. It is the aptitude for understanding the company's offerings thereby enhancing the prowess of the customer service role. We would go as far as saying that all employees must have a basic understanding of their company's product or service but the customer service team along with the other front end teams must have thorough product knowledge.

Importance of Product Knowledge in Customer Service - Yonyx

Alexandria White: Hatten's sweet white wine made from Belgia grapes, this is a very easy drinking style. While sweeter than I prefer, it's well suited to hot tropical afternoons while lazing around a pool. Aga White: Named after the word for "authentic" in Balinese, this is Hatten's dry style white wine. It's also made from the Belgia grapes.
