Designing Games Tynan Sylvester

Tynan Sylvester is a massively under-appreciated contributor to the art and science of game development and design. Within the first day of reading this book, my buddy and I had major breakthroughs with our game that had been trapped by bad design.

Designing Games: Amazon.co.uk: Sylvester, Tynan ...

Tynan Sylvester first designed games in 2000. His smallest projects were one-man independent games on which he wrote every line of code and painted every frame of art. His largest was four years on Irrational Games' 110-person development team making BioShock Infinite.

Designing Games: A Guide to Engineering Experiences ...

Overall, this book seemed like a good introduction to the scope of game design, and I feel like I know more now about the skills and knowledge required to design games. I think it was a little heavy on vocabulary and terms coined or regurgitated by the author, but I appreciated the effort for clarity.

Designing Games by Tynan Sylvester - Goodreads

Designing Games is a book of game design concepts written to help practitioners make better games.. This is a practical book, but not because it tells readers what to do. Instead, it equips readers with concepts that they can use to better evaluate the tradeoffs they're making in each design decision.

In clear and approachable prose, design pro Tynan Sylvester also looks at the day-to-day process necessary to keep your project on track, including how to work with a team, and how to avoid creative dead ends. Packed with examples, this book will change your perception of game design.

Designing Games [Book] - O'Reilly Online Learning

I only have one complaint about this book...it ended. I wanted the author, Tynan Sylvester to go on for at least another 200 pages. Hopefully, one day, he'll write one just talking about all the true and weird stuff that goes on in the games industry. This book is heads and tails above any "classic" game design book or manual. It's the opposite of some of those ivory tower tomes ...

Review of "Designing Games" by Tynan Sylvester

I'm Tynan Sylvester. I design games and I wrote a book about it. I also worked on BioShock Infinite and very much enjoy bacon. Currently working on indie project RimWorld with Ludeon Studios. Twitter: @TynanSylvester
