Post a Reply Report this post New AC PRO5 serie of electric lift trucks from DOOSAN are equipped with last AC technology from GRUPPOSME italy: low power consupion and

great thermal efficiency (inverters overheating is a nightmare of the past) In Europe we are listening great things about this new serie. Really, why pay extra for the name?

Doosan is the Daewoo of old which was the manufacturer of the Cat series of truck before the Mitsu/Cat Mfg. agreement. Your truck seems to have some problems that should have been handled as warranty and if taken care of, should result in a decent piece of equipment. It is no better or worse than a lot of the trucks out there.
