In summary, my recommendation is that Beyond the Checklist: What Else Health Care Can Learn from Aviation Teamwork and Safety should be read by all health care personnel in general and critical health care providers (including anesthesia care providers) in particular because besides the checklists, health care teams should also understand and adopt the culture of CRM for improving

patient safety in health care.

Beyond the Checklist: What Else Health Care Can Learn from ...

"Beyond the Checklist takes us behind an apparently simple tool to lay out the complex social and organizational transformation that makes the checklist effective in aviation and to argue for a similar top-to-bottom transformation of health care. By shifting our attention to the detailed, sustained, and careful work that will be required to

make health care safer, the book moves us forward on a long, difficult, but ultimately rewarding journey."—Robert L. Wears, MD, University of Florida ...
