The status of care workers is a critical concern. Evelyn Nakano Glenn offers an innovative interpretation of care labor in the United States by tracing the roots of inequity along two interconnected strands: unpaid caring within the family; and slavery, indenture, and other forms of coerced labor. By bringing both into the same analytic framework, she provides a convincing explanation of the devaluation of care work and the exclusion of both unpaid and paid care workers from critical rights ...

“ A powerful and persuasive critique, Forced to Care weaves together an insightful historical narrative about caregiving. Why is care of the ill and infirm a private, family responsibility and not a public entitlement? This important and timely book should be part of the national discussion about America’s health care system.
