Arturo Escobar (anthropologist) - Wikipedia

Posted to the Ethnos Project by Mark Oppenneer on March 1st, 2011. Escobar’s Encountering Development evolves around the thesis that “the discourse and strategy of development produced its opposite: massive underdevelopment and impoverishment, untold exploitation and oppression.”. He approaches this through a discursive analysis of the components and relationships of what he calls “the three axes that define development”: its forms of knowledge; the system of power that regulates ...
