At Britax Römer we believe that a 5-point harness is the safest way to secure your child in a car seat because it keeps your child safe and tight in

the seat's protective shell. In the event of an impact, the harness distributes the force of the impact across 5 points, two at the shoulders, two at the hips and one where the harness buckles between the legs. This helps to protect your child ...

As a convertible car seat, the Britax Marathon 70 has a lifespan of seven years. This is different than other Britax car seats. For example, infant seats have a useful life of six years and booster seats last for nine years. Even though seven years is a long time, your Britax Marathon 70 car seat may expire before your child outgrows it.
