The higher fat content in waffle batter vs. pancake batter helps the waffles get their delicious crispy outside. While pancakes are soft and floppy, waffles have a nice crispy outside with a soft inside due, in part, to the extra fat. If you are making waffles with pancake mix, you will need to add some extra fat which we tell you how to do later.

Example Game | Pancakes or Waffles?

Pancakes are way older than waffles; they've been around in some form since at least the 1430s, based on the first written record of the word "pancake," but

probably existed long before then in some form. The first waffle iron was only patented in 1869, so relatively speaking, it's still the new kid on the block.
