**Review of Economic Science Fictions - SFRA Review**

Goldsmiths Press / PERC Papers PERC seeks to refresh political economy, in the original sense of the term, as a pluralist and critical approach to the study of capitalism. In doing so it challenges the sense of economics as a discipline, separate from the other social sciences, aiming instead to combine economic knowledge with various other disciplinary approaches.

### **Economic Science Fictions by Sarah Kember and William ...**

Science fiction is a genre that has long toyed with alternative economic institutions, imagining different types of production, property or money, and seeing where such changes might lead. Economics, as Jens Beckert's recent work has emphasised, involves various 'fictional expectations' in the form of risk models, future income streams, a belief in the sustained value of money and so on. Both are responses to the condition of modernity, that requires us to face and produce ...
