### Crystals | The Mystic Eye New Age Boutique

Mystic Eyes usually work like Single Action spells and are activated through the use of magical energy. The proof of a first-class magus since it grants great power while being easy to conceal. Fujino Asagami is a special case since her Mystic Eyes were the result of her family's psychic ability evolving to a point that it is in par with Magecraft. Still, this raises the possibility that other Mystic Eyes are also just a powerful type of psychic ability.
