One of the first things we need to cover in our guide to how to write a business plan is the executive summary. An executive summary is a high-level overview of your business. Its purpose is to describe your company to those that don't have time to read your entire business plan, enticing them into finding out more about your company.

How To Write A Business Plan: Step-By-Step Guide

When writing a business plan that's just one page, you need to keep things short and to the point. If there are lots of details for one of the sections, keep them on a separate document. Just run with a high-

level summary in the one-page plan. It's often harder to write something short, so take a few passes. Whittle it down as you go.
