For direct payments and rural development, the new CAP rules will start to apply as from 1 January 2015. Council and Parliament agreed in June to postpone the implementation of the new rules on direct payments until 1 January 2015, but this seems to be the first time that the institutions have agreed that the start of rural development programmes should be pushed back to 1 January 2015.

CAP Reform: DARD Briefing

The common agricultural policy (CAP) reform, proposed by the European Commission in June 2018, introduces a more flexible, performance and results-based approach that takes into account local conditions and needs, while increasing EU level ambitions in terms of sustainability. Based on this approach and complemented by new CAP tools, the European Commission considers that the CAP reform proposal is compatible with the Green Deal's ambitions.
