The House of the Scorpion *Simon and Schuster*

Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

The House of the Scorpion *Simon and Schuster*

This modern classic takes on an iron-fisted drug lord, clones bred for their organs, and what it means to be human. Winner of the National Book Award as well as Newbery and Printz Honors. Matteo Alacrán was not born; he was harvested. His DNA came from El Patrón, lord of a country called Opium—a strip of poppy fields lying between the United States and what was once called Mexico. Matt's first cell split and divided inside a petri dish. Then he was placed in the womb of a cow, where he continued the miraculous journey from embryo to fetus to baby. He is a boy now, but most consider him a monster—except for El Patrón. El Patrón loves Matt as he loves himself, because Matt is himself. As Matt struggles to understand his existence, he is threatened by a sinister cast of characters, including El Patrón's power-hungry family, and he is surrounded by a dangerous army of bodyguards. Escape is the only chance Matt has to survive. But escape from the Alacrán Estate is no guarantee of freedom, because Matt is marked by his difference in ways he doesn't even suspect.

The House of the Scorpion *Simon and Schuster*

In a future where humans despise clones, Matt enjoys special status as the young clone of El Patrón, the 142-year-old leader of a corrupt drug empire nestled between Mexico and the United States.

House Of The Scorpion *Turtleback Books*

In a future where humans despise clones, Matt enjoys special status as the young clone of El Patrón, the 142-year-old leader of a corrupt drug empire nestled between Mexico and the United States.

Lord of Opium *Simon and Schuster*

Matt has always been nothing but a clone - an exact replica, grown from a strip of old El Patron's skin. Now, age fourteen, Matt suddenly finds himself thrust into the position of ruling over his own country, Opium, on the one-time border between the US and Mexico, stretching from the ruins of San Diego to the ruins of Matamoros. But while Opium thrives, the rest of the world has been devastated by ecological disaster... and hidden somewhere in Opium is the cure. And that isn't all that's hidden within the depths of Opium. Matt is haunted by the ubiquitous army of eejits, zombie-like workers harnessed to the old El Patron's sinister system of drug growing... people stripped of the very qualities which once made them human. Matt wants to use his newfound power to help stop the suffering, but he can't even find a way to smuggle his childhood love Maria across the border and into Opium. Instead, his every move hits a roadblock - both from the traitors that surround him and from a voice within himself. For who is Matt really but the clone of an evil, murderous dictator?

In 2194 in Zimbabwe, General Matsika's three children are kidnapped and put to work in a plastic mine while three mutant detectives use their special powers to search for them.

The Scorpion Rules *Simon and Schuster*

In the future, the UN has brought back an ancient way to keep the peace. The children of world leaders are held hostage—if a war begins, they pay with their lives. Greta is the Crown Princess of the Pan Polar Confederacy, a superpower formed of modern-day Canada. She is also a Child of Peace, a hostage held by the de facto ruler of the world, the great Artificial Intelligence, Talis. The hostages are Talis's strategy to keep the peace: if her country enters a war, Greta dies. The system has worked for centuries. Parents don't want to see their children murdered. Greta will be free if she can make it to her eighteenth birthday. Until then she is prepared to die with dignity, if necessary. But everything changes when Elian arrives at the Precepture. He's a hostage from a new American alliance, and he defies the machines that control every part of their lives—and is severely punished for it. Greta is furious that Elian has disrupted their quiet, structured world. But slowly, his rebellion opens her eyes to the brutality of the rules they live under, and to the subtle resistance of her companions. And Greta discovers her own quiet power. Then Elian's country declares war on Greta's and invades the prefecture, taking the hostages hostage. Now the great Talis is furious, and coming himself to mete out punishment. Which surely means that Greta and Elian will be killed...unless Greta can think of a way to save them.

The Land of the Silver Apples *Gallery / Saga Press*

"Like the druidic life force Jack taps, this hearty adventure, as personal as it is epic, will cradle readers in the 'hollow of its hand' (Booklist, starred review). Jack has caused an earthquake. He was trying to save his sister Lucy from being thrown down a well, but sometimes the magic doesn't quite work out. Not only does Jack demolish a monastery, but Lucy is carried off by the Lady of the Lake, and Jack has to follow her through the Hollow Road, which lies underground. Aided by Pega, a slave, and the berserker Thorgil, Jack encounters hobgoblins, kelpies, yarthkins, and elves—not the enchanted sprites one would expect, but fallen angels who steal human children for pets. In the eighth century, the world is caught between belief in the Old Gods and Christianity, and what Jack and his companions do will decide the fate of both religions. From National Book Award winner Nancy Farmer, this second book in the Sea of Trolls trilogy brilliantly enlarges the world of the first story. Look for the conclusion in The Islands of the Blessed.

Holes *Yearling*

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build

character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times *Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

Long Lost HarperCollins

"Perfect to be read late into the night."—Stefan Bachmann, internationally bestselling author of *The Peculiar* "A spooky sisterhood mystery that is sure to be a hit with readers."—School Library Journal (starred review) "Grab a flashlight and stay up late with this one."—Kirkus Reviews Once there were two sisters who did everything together. But only one of them disappeared. New York Times–bestselling author Jacqueline West's *Long Lost* is an atmospheric, eerie mystery brimming with suspense. Fans of

Katherine Arden's *Small Spaces* and Victoria Schwab's *City of Ghosts* series will lose themselves in this mesmerizing and century-spanning tale. Eleven-year-old Fiona has just read a book that doesn't exist. When Fiona's family moves to a new town to be closer to her older sister's figure skating club—and far from Fiona's close-knit group of friends—nobody seems to notice Fiona's unhappiness. Alone and out of place, Fiona ventures to the town's library, a rambling mansion donated by a long-dead heiress. And there she finds a gripping mystery novel about a small town, family secrets, and a tragic disappearance. Soon Fiona begins to notice strange similarities that blur the lines between the novel and her new town. With a little help from a few odd *Lost Lake* locals, Fiona uncovers the book's strange history. *Lost Lake* is a town of restless spirits, and Fiona will learn that both help and danger come from unexpected places—maybe even from the sister she thinks doesn't care about her anymore. New York Times–bestselling and acclaimed author Jacqueline West weaves a heart-pounding, intense, and imaginative mystery that builds anticipation on every page, while centering on the strong and often tumultuous bond between sisters. Laced with suspense, *Long Lost* will fascinate readers of Trenton Lee Stewart's *The Secret Keepers* and fans of ghost stories.

The Islands of the Blessed Simon and Schuster

The crowning volume of Newbery Honor author Farmer's trilogy that began with "The Sea of Trolls" and continued with "The Land of Silver Apples." Impeccably researched and blending the lore of Christian, Pagan, and Norse traditions, this expertly woven tale is beguilingly suspenseful and, ultimately, a testament to love.
