Sam Horn's 'Got Your Attention' is one of my top 10 business books. It is a great great work

absolutely at par with Dale Carnegie's top classic 'How to win friends and Influence People'. This book is a must read for people who present their ideas to an audience - be it a trade show presentation or a corporate meeting.

Try making a few small adjustments so that people who may be looking for you can't peg down your whereabouts. Leave your house at a different time each day. It's unlikely someone will wait extraordinarily long if you don't leave at a consistent time. Change your route to normal daily locations. Try the interstate one

day, side roads the next.
