In an analysis report, sometimes called a recommendation report, the writer attempts to solve a problem by evaluating options and suggesting solutions. Though objective data is presented, the bulk of the report is analysis of that data to help the reader make a decision. The length of the report depends on the type and extent of the analysis.

How to write an analysis report

Thus it was agreed that an Interim Report focusing on the scale and nature of the problem would be produced by the end of April 2019, with this Final Report to be delivered by the end of June. After an introduction, and explanation of the methodology used to produce this Final Report, it continues with an analysis of the global phenomenon of Christian persecution.
