LEAN The manufacturing industry is currently undergoing a shift in generations with baby boomers retiring. At the same time, the younger generation is showing very little interest in working within the industry. A lean, clean and green industry does not only earn more money – they also earn better employees, stronger organizations and smarter minds.

Start - Lean Clean Green

Clean & Green offer a wide range of expert gardening services in Beckenham, Bromley, Orpington, South Croydon, and South London Areas. Clean and Green has been trading for the past 27

years.

Clean and Green

Clean and Green is a preferential tax assessment program, that bases property taxes on use values rather than fair market values. This ordinarily results in a tax savings for landowners. The Pennsylvania General Assembly enacted the program in 1974 as a tool to encourage protection of the Commonwealth's valuable farmland, forestland and open spaces.
