Bullies tend to target

kids who are socially isolated. Even just one healthy friendship can go a long way in preventing bullying. As a result, it is increasingly important that teachers and administrators do what they can to help socially-isolated students connect with others.

5 Ways Teachers Can Help Socially Isolated Students

However, there are some additional techniques that you can use to help reduce your tendency to withdraw socially. Take 5 Deep Breaths Before entering a room full of people (a party, family gathering, bar or art gallery), take 5 deep breaths and hold each one for two seconds (take your time, and be careful not to

hyperventilate).

Social Withdrawal - Anxiety Causes & Solutions

In fact, shortlived periods of withdrawal can reduce acute stress responses and can help us overcome illness and exhaustion. Periods of solace and isolation can also help with important phases of development – such as exploring one's identity during adolescence. But some people don't reemerge from natural periods of isolation.
