Born To Win Transactional Analysis With Gestalt Experiments

Transactional Analysis is based on the understanding that everyone has three parts, Parent, Adult and Child. The Parent is the learned element, and is basically the unfiltered recordings of the first five years of your life. It can be thought of as what your parents taught you, consciously or unconsciously, in that time.

Transactional analysis is a psychoanalytic theory and method of

therapy wherein social transactions are analyzed to determine the ego state of the communicator as a basis for understanding behavior. In transactional analysis, the communicator is taught to alter the ego state as a way to solve emotional problems. The method deviates from Freudian psychoanalysis which focuses on increasing awareness of the contents of unconsciously held ideas. Eric Berne developed the concept and paradigm of trans
