Women Law And Human Rights

About Women, Law and Human Rights. Africa, with its mix of statute, custom and religion is at the centre of the debate about law and its impact on gender relations. This is because of the centrality of the gender question and its impact on the cultural relativism debate within human rights. It is therefore important to examine critically the role of law, broadly constructed, in African societies.

Her work focuses on the relationship between law and living well, human flourishing, what it means to be free, and women's human rights. This includes analysis of conceptions of privacy, freedom, care, belonging and recognition and how they relate to the purpose of law, including human rights and anti-discrimination law purporting to protect aspects of our personal freedom and identities.

Human rights of women | University of London

Human rights require public bodies to treat you with dignity and respect, consult you about decisions and respect your choices. Human rights law gives pregnant women the right to receive maternity care, to make their own choices about their care and to be given standards of care that respect their dignity and autonomy as human beings.

Human Rights in Maternity Care - Birthrights

Protecting women's and girls' rights must be embedded in national law and policy firmly anchored in international human rights standards. Equally important is that laws are implemented, such as through ready access to courts and an expectation of a fair hearing. Women and girls need to know their rights and have the power to claim them.
