Les Fleurs du mal (English: The Flowers of Evil) is a volume of French poetry by Charles Baudelaire. First published in 1857, it was important in the symbolist and modernist movements. The poems deal with themes relating to decadence and eroticism. This Bilingual English - French edition provides the original text by Baudelaire and its English translation by Cyril Scott. The initial publication of the book was arranged in six

thematically segregated sections: 1. Spleen et Idéal (Spleen and Ideal) 2. Tableaux parisiens (Parisian Scenes) 3. Le Vin (Wine) 4. Fleurs du mal (Flowers of Evil) 5. Révolte (Revolt) 6. La Mort (Death) Baudelaire dedicated the book to the poet Théophile Gautier, describing him as a parfait magicien des lettres françaises ("a perfect magician of French letters"). The foreword to the volume, Au Lecteur ("To the Reader"), identifying Satan with the pseudonymous alchemist Hermes Trismegistus. The author and the publisher were prosecuted under the regime of the Second Empire as an outrage aux bonnes moeurs ("an insult to public

decency"). As a consequence of this prosecution, Baudelaire was fined 300 francs. Six poems from the work were suppressed and the ban on their publication was not lifted in France until 1949. These poems were "Lesbos"; "Femmes damnées (À la pâle clarté)" (or "Women Doomed (In the pale glimmer...)"); "Le Léthé" (or "Lethe"); "À celle qui est trop gaie" (or "To Her Who Is Too Joyful"); "Les Bijoux" (or "The Jewels"); and "Les Métamorphoses du Vampire" (or "The Vampire's Metamorphoses"). These were later published in Brussels in a small volume entitled *Les Épaves* (Scraps or Jetsam). On the other hand, upon reading

"The Swan" (or "Le Cygne") from *Les Fleurs du mal*, Victor Hugo announced that Baudelaire had created "un nouveau frisson" (a new shudder, a new thrill) in literature. In the wake of the prosecution, a second edition was issued in 1861 which added 35 new poems, removed the six suppressed poems, and added a new section entitled *Tableaux Parisiens*. A posthumous third edition, with a preface by Théophile Gautier and including 14 previously unpublished poems, was issued in 1868.

Upon its original publication in 1857 Charles Baudelaire's "Les Fleurs du Mal" or "The Flowers of Evil"

was embroiled in controversy. Within a month of its publication the French authorities brought an action against the author and the book's publisher claiming that the work was an insult to public decency. Eventually the French courts would acknowledge the literary merit of Baudelaire's work but ordered that six poems in particular should be banned from subsequent publication. The notoriety caused by this scandal would ultimately work in the author's favor causing the initial publication to sell out, thus prompting the publication of another edition. The second edition was published in 1861, it included an additional thirty-five

poems, with the exclusion of the six poems censored by the French government. Finally in 1868 a third edition was published posthumously. This collection added an additional fourteen poems selected by two of Baudelaire's friends yet again excluded the six censored poems. Literary scholars generally agree that, while well-meaning, the addition of these poems in the third edition disrupt the structure intended by Baudelaire and thus the 1861 edition should be considered as the definitive edition. In this volume we reproduce that 1861 edition along with the six censored poems in the original French and in an English translation by William Aggeler. Rich

with symbolism, "The Flowers of Evil" is rightly considered a classic of the modernist literary movement. Its themes of decadence and eroticism seek to exhibit Baudelaire's criticism of the Parisian society of his time.

Distributed by the University of Nebraska Press for Whale and Star Press Immediately after the publication of *Les Fleurs du Malin* 1857, Baudelaire was prosecuted and found guilty of obscenity and blasphemy. Today, *Les Fleurs du Malis* considered by many to be the most important and influential poetry collection published in Europe in the 19th century. For Baudelaire, love was the essence of the forbidden, and he saw the individual as a divided being, drawn equally towards good and evil, the ideal and the sensual. His originality sets him apart from the dominant literary schools of his time and

his poetry is regarded as the last brilliant summation of Romanticism, the precursor of Symbolism, and the first expression of Modernity. This volume brings together, for the first time, *Les Fleurs du Mal* and the original etchings by Odilon Redon inspired by the text. These wonderful examples of the work of Odilon Redon, the greatest of the French Symbolists, depict the world of fantasy, which he believed few dared to envision.

Selected Poems

The poems of Charles Baudelaire are filled with explicit and unsettling imagery, depicting with intensity every day subjects ignored by French literary conventions of his time. 'Tableaux parisiens' portrays the brutal life of Paris's thieves, drunkards and prostitutes amid the debris of factories and poorhouses. In love poems such as 'Le Beau Navire', flights of lyricism entwine with

languorous eroticism, while prose poems such as 'La Chambre Double' deal with the agonies of artistic creation and mortality. With their startling combination of harsh reality and sublime beauty, formal ingenuity and revolutionary poetic language, these poems, including a generous selection from *Les Fleurs du Mal*, show Baudelaire as one of the most influential poets of the nineteenth century.

Baudelaire: Poems

Everyman's Library

Modern poetry begins with Charles Baudelaire (1821-67), who employed his unequalled technical mastery to create the shadowy, desperately dramatic urban landscape -- populated

by the addicted and the damned -- which so compellingly mirrors our modern condition. Deeply though darkly spiritual, titanic in the changes he wrought, Baudelaire looms over all the work, great and small, created in his wake.

Baudelaire the Damned

A Biography

Bloomsbury Publishing

First published in 1982, this penetrating, immensely readable biography of the brilliant poet, translator, and art critic, F. W. J.

Hemmings gives us a fascinating new perspective on Baudelaire's

extraordinary, complex personality, his artistic achievements, and his tormented life.

Hemmings, the noted biographer of Zola and Alexandre Dumas, has drawn on a great volume of material for this work, much of which came to light as late as the 70s. He shows how

Baudelaire's unhappy childhood and the mixture of strong affection and bitter resentment in his feelings for his mother

provide the key to his contradictory and self-destructive behavior, particularly in his neurotic relationships with women. Burdened with a sense of guilt and acutely conscious of his shortcomings, Baudelaire was constantly at odds with himself, with those around him, and with the optimistic, materialistic society of his day, which he hated. From the poverty, disease, and despair that plagued him sprang *Les Fleurs du Mal*, the poetry by which he was to achieve immortality. The struggle to create and publish these poems—which were immediately condemned as pornographic—is vividly described. But Baudelaire was also an art critic whose

aesthetic insights are still discussed today, and his book on drug addiction, *Les Paradis Artificiels*, remains relevant to our time. He introduced Edgar Allan Poe, a writer with whom he strongly identified, to the European public, and he was one of the first Wagnerians in France. Baudelaire's *The Damned* is an important re-examination of all these varied aspects of Baudelaire's life and work, as well as an engrossing portrait of one of the geniuses of world literature.

The Beauty of Baudelaire

The Poet as Alternative Lawgiver
Oxford University Press
 This book offers the first comprehensive

close reading in any language of the complete works of Charles Baudelaire (1821-1867). Taking full account of his critical writings on literature and the fine arts, it provides fresh readings of *Les Fleurs du Mal* and *Le Spleen de Paris*. It situates these works within the context of nineteenth-century French literature and culture and reassesses Baudelaire's reputation as the 'father' of modern poetry. Whereas he is traditionally considered to have rejected the public role of the writer as moralist, educator, and political leader and to have dedicated himself instead to the exclusive pursuit of beauty in art, this book contends not only that he rejected Art for Art's sake but that he saw in 'beauty'—defined not as an inherent quality but as an effect of harmony and rich conjecture—an alternative ethos with which to resist the tyrannies of ideology and conformism. Contrarian in his thinking and provocatively innovative in his poetic practice, Baudelaire fell foul of the law when six poems in *Les Fleurs du Mal* (1857) were banned for obscenity. In the second edition (1861), substantially recast and enlarged, the poet as alternative lawgiver made plainer still his resistance to the orthodoxies of his day. In a series of major critical articles he proclaimed the 'government of the imagination', while

from 1855 until his death he developed an alternative literary form, the prose poem—a thing of beauty and an invitation to imagine the world afresh, to make our own rules.

Jan Owen's masterly translation captures all of Baudelaire's passion and anguish in a selection that includes many of Baudelaire's best known poems - including those banned from 1857 edition - as well as some less familiar ones, with the volume leading up to his great long poem, 'The Voyage', and finishing with the much-loved sonnet 'Meditation'.

Considered by some critics to be the definitive translation to date of Baudelaire's

seminal work of world poetry, this dual language book contains all of the poems that were published in the second edition of 1861. The censored pieces from the first edition of 1857 are also included. "I should like to congratulate John Tidball on his most erudite translations of Baudelaire's poetry." - Dan Kelly, Commandeur dans l'Ordre des Palmes Academiques. "The translations here come closer to the original feel of the texts than any other versions I have read." - Annie Burnside, M.A. (Classical French Literature), Officier dans l'Ordre des Palmes Academiques."
