In My Ocean by Sara Gillingham - Goodreads

I got the "In My Forest" book as a gift at my baby shower and ended up purchasing more from the series myself because my son liked them so much. They books are cute, short, and colorful. Plus the finger puppet keeps him focus on the book, even at only 10 weeks old. I would highly recommend these for kids or as great baby shower gifts.

See more of my book reviews on my blog, Literary Flits A short read at just forty-four pages, A Dip In My Ocean is nonetheless a lovely little book that poetically charts the course of a relationship from deep love to the pain of separation, despair to acceptance and the overcoming of grief. The poems are grouped thematically so the reader can either dip into the appropriate theme as wanted or do as I did and read the whole book effectively as an epic poem telling a story.
