September. A beautiful New York editor retreats to a lonely cabin on a hill in the quiet Maine beach town of Dead River—off season—awaiting her sister and friends. And before too many hours pass, five civilized, sophisticated people and one tired old country sheriff will learn just how primitive we all are beneath the surface...and that there are no limits at all to the will to survive.

She is wounded and weak, but she's found refuge in a cave overlooking the sea. Christopher Cleek is an amoral—and unstable—lawyer who sees her bathing in a stream one day while he's out hunting. TRADE PAPERBACK EDITION OF THE OUT OF PRINT SECOND

NOVEL BY JACK KETCHUM.

The Secret Life of Souls *Pegasus Books*

At the heart of this psychological suspense novel is the haunting depiction of a family's fall and the extraordinary gifted dog, Caity, who knows the truth. As the drama unfolds Caity evolves from protector to savior, from scapegoat to prop, and eventually, from avenger to survivor. She is an unselfish soul in a selfish world—and she is written with depth and grace by authors Ketchum and McKee, who display a profound understanding of a dog's complex emotions. With her telling instincts and her capacity for joy and transformative love, Caity joins the pantheon of great dogs in contemporary literature. Eleven year old actress Delia Cross is beautiful, talented, charismatic. A true star in the making. Her days are a blur of hard work on set, auditions and tutors. Her family—driven, pill-popping stage mother Pat, wastrel dad Bart, and introverted twin brother Robbie—depends on her for their upscale lifestyle. Delia in turn depends on Caity, her beloved ginger Queensland Heeler—and loyal friend—for the calming private space they share. Delia is on the verge of a professional break through. But just as the contracts are about to be signed, there is a freak accident that puts Delia in the danger zone with only Caity to protect her.

Stranglehold *Crossroad Press*

Lydia McCloud meets Arthur Danse at a wedding party in Plymouth, N.H., and she thinks he's a man she could grow to love. Arthur sees things differently. In Lydia, he sees the sort of woman people always want to protect. He decides he's going to

show her "she wouldn't always be protected." Once their only child, Robert, is born, Arthur's behavior worsens. When the courts become involved, the nightmare really begins. This scathing novel is an indictment of a justice system that makes a mockery of its very name.

The Lost

Special Leisure movie tie-in edition. It's been four years since Ray killed those two girls in the park. But the real horror has yet to begin.

Red *47North*

The old man hears them before he sees them, the three boys coming over the hill, disturbing the peace by the river where he's fishing. He smells gun oil too, too much oil on a brand-new shotgun. These aren't hunters, they're rich kids who don't care about the river and the fish and the old man. Or his dog. Red is the name of the old man's dog, his best friend in the world. And when the boys shoot the dog--for nothing, for simple spite--he sees red, like a mist before his eyes. And before the whole thing is done there'll be more red. Red for blood.

I'm Not Sam

Now I'm way beyond confusion. Now I'm scared. I've slid down the rabbit-hole and what's down there is dark and serious. This is not play-acting or some waking bad dream she's having. She's changed, somehow overnight. I don't know how I know this but I sense it as surely as I sense my own skin. This is not Sam, my Sam, wholly sane and firmly balanced. The Lesser Dead *Penguin*

WINNER OF THE AMERICAN LIBRARY ASSOCIATION'S BEST HORROR NOVEL OF THE YEAR "As much F. Scott Fitzgerald as Dean Koontz" (#1 New York Times bestselling author Patricia

Briggs), Christopher Buehlman excels in twisting the familiar into newfound dread in his "genre-bending" (California Literary Review) novels. Now the acclaimed author of *Those Across the River* delivers his most disquieting tale yet... The secret is, vampires are real and I am one. The secret is, I'm stealing from you what is most truly yours and I'm not sorry... New York City in 1978 is a dirty, dangerous place to live. And die. Joey Peacock knows this as well as anybody—he has spent the last forty years as an adolescent vampire, perfecting the routine he now enjoys: womanizing in punk clubs and discotheques, feeding by night, and sleeping by day with others of his kind in the macabre labyrinth under the city's sidewalks. The subways are his playground and his highway, shuttling him throughout Manhattan to bleed the unsuspecting in the Sheep Meadow of Central Park or in the backseats of Checker cabs, or even those in their own apartments who are too hypnotized by sitcoms to notice him opening their windows. It's almost too easy. Until one night he sees them hunting on his beloved subway. The children with the merry eyes. Vampires, like him...or not like him. Whatever they are, whatever their appearance means, the undead in the tunnels of Manhattan are not as safe as they once were. And neither are the rest of us.

Those Across the River *Berkley*

Moving to rural Georgia, a failed academic plans to write a history of his family's old plantation and the horrors that occurred there but instead discovers a sense of unspoken dread among the townspeople and a long-standing debt of blood. 100,000 first printing.

Funland *47North*

The Funland Amusement Park provides more fear than fun these days. A vicious pack known as the Trolls are preying on anyone foolish enough to be alone at night. Folks in the area blame them for the recent mysterious disappearances, and a gang of local teenagers has decided to fight back. But nothing is ever what it seems in an amusement park. Behind the garish paint and bright lights waits a horror far worse than anything found in the freak show. Step right up. The terror is about to begin!

Only Child *Gauntlet Press*

Arthur Danse is one of Ketchum's most dark and frightening creations. A user, a violent abuser and quite possibly much, much worse. And it falls to his wife Lydia to protect the life and sanity of both herself and her six-year-old son -- their only child.

-Barnes & Noble Best Horror Books of 2017 Pick -Runner-up for the American Library Association's Horror Book of 2017 "One of the most enthralling novels I've read in the last ten years. Dubeau is a force to be reckoned with." —Jerry Smith, *Fangoria Magazine* and *Blumhouse.com* "This is the page-turner you've been looking for." —Barnes & Noble The village of Saint-Ferdinand has all the trappings of a quiet life: farmhouses

stretching from one main street, a small police precinct, a few diners and cafés, and a grocery store. Though if an out-of-towner stopped in, they would notice one unusual thing—a cemetery far too large and much too full for such a small town, lined with the victims of the Saint-Ferdinand Killer, who has eluded police for nearly two decades. It's not until after Inspector Stephen Crowley

finally catches the killer that the town discovers even darker forces are at play. When a dark spirit reveals itself to Venus McKenzie, one of Saint-Ferdinand's teenage residents, she learns that this creature's power has a long history with her town—and that the serial murders merely scratch the surface of a past burdened by evil secrets.
