The McCormack rankings were unofficial world golf rankings published in Mark McCormack's World of Professional Golf Annual from 1968 to 1985, and were a forerunner of the current Official World Golf Ranking. Unlike their replacement they were not used to select fields for tournaments, and served no real purpose other than as a talking point. The rankings were the first that had been compiled that took account of results from all the world's major professional tours, from the United States, Europ
