This reappraisal of *The Formation of a Persecuting Society* (1987) argues that R. I. Moore's book fundamentally reshaped how medievalists think about the repression of heresy and of various "others" in medieval society. It notes also, however, that the book has often been misread as an exemplar of "Foucauldian gloom" and as representing medieval Christianity as a dominating, repressive authority.

R.I. Moore's, The Formation of a Persecuting Society, examines an increase in persecution in medieval European society between 950 and

1250. Moore argues the institutionalization of the state came

about through group-based persecution of inferior peoples. Persecution is not new.
