Hands On The Freedom Plow

In *Hands on the Freedom Plow: Personal Accounts by Women in SNCC* 52 women describe in their own words the roots, the meaning, and the personal effect of their own participation. James Baldwin once observed that: "The great force of history comes from the fact that we carry it within us, are unconsciously controlled by it in many ways, and history is literally present in all that we do."

Although the Civil Rights struggle is often characterized as consisting primarily of mass protests led by charismatic leaders in public places, Hands on the Freedom Plow reminds us that good old-fashioned grassroots organizing was the force behind many a civil rights victory. The movement's organizing tradition, in turn, was rooted in the bravery of ordinary people — people such as Carolyn Daniels of Dawson, Ga., who dared allow SNCC workers to stay overnight in her house; local whites ...

"Hands on the Freedom Plow underscores the neglected role women played in the civil rights crusade. Women answered the call, assumed weighty responsibilities, experienced persecution and worked together in the cause of freedom and social justice. Their spirit remains alive in this remarkable book."--Charlotte Observer
