Liberalism - Liberalism - The modern liberal program: Such, at any rate, was the verdict reached by an increasing number of liberals in the late 19th and early 20th centuries. As noted above, modern liberals held that the point of government is to remove the obstacles that stand in the way of individual freedom. In this they followed the lead of thinkers and reformers such as the British ...

Liberalism - The modern liberal program | Britannica

Modern liberal political philosophy is closely associated with post-1945 secularism. But Eric Nelson contends that the liberal tradition founded by John Rawls is an unwitting outgrowth of ancient theological debates about justice and evil. When we understand this, we can better untangle the knotted strands of liberal political thought.
