The book reads like a short erotic story and not like a dark romance at all. Due to the lack of character development, the plot is just abusive, not dominant.

This was a solid 4 star book. It really wasn't "Dark". More of a reverse harem romance. SPOILERS AHEAD: I couldn't stand Brian. He was just plain weird! He seems like the kind of guy that would pull the wings off a fly and then document the flies life "post wings". His stupid sex machines were just plain creepy!
