Charlie Parker - The Official Website of Charlie Parker

Charlie Parker is one of the most important musicians in jazz history and a household name even for people who never listen to jazz. His music is like a textbook for aspiring jazz musicians, and it still sounds modern even after more than a half century since its creation. 2020 marks the centennial of Parker's birth, and to help commemorate the anniversary, Craft Recordings has

released a vinyl box set containing the first four "The New Sounds in Modern Music" series, featuring recordings ...
