### Final Judgment The Last Law Lords And The Supreme Court ...

In law, a judgment, also spelled judgement, is a decision of a court regarding the rights and liabilities of parties in a legal action or proceeding. Judgments also generally provide the court's explanation of why it has chosen to make a particular court order. The phrase "reasons for judgment" is often used interchangeably with "judgment," although the former refers to the court's justification of its judgment while the latter refers to the final court order regarding the rights and liabilities
