It touches upon all things you need to know to streamline your data processing. This introductory course will give you enough context to start exploring the world of data engineering. It's perfect for people who

work at a company with several data sources and don't have a clear idea of how to use all those data sources in a scalable way.

Introduction to Data Engineering | DataCamp

The journey of an engineer exploring data science Aayush Maloo June 14, 2019 A few years ago, someone pointed out to me, "What you are pursuing is called data science." Surely enough, the remark left me intrigued because up until that point I'd only seen myself as an engineer, a designer and occasionally, a machine enthusiast.
