Misery is an American psychological horror thriller novel written by Stephen King and first published by Viking Press on June 8, 1987. Annie Wilkes is a huge ex-nurse, handy with controlled substances and other instruments of abuse, including an axe and a blowtorch. A dangerous psychotic with a Romper Room sense of good and bad, fair and unfair, Annie Wilkes may be Stephen King's most terrifying creation. It's not fair, for example, that her favorite character in the world, Misery Chastain, has been killed by her creator, as Annie discovers when Paul's latest novel comes out in paperback.

Then my favorite English teacher recommended I read Misery. "Your life will never be the same," he said. He was right. Misery is about the kind of fan that loves their chosen celebrity a little too much. Like the man who shot John Lennon.
