Space James A Michener

Space is a novel by James A. Michener published in 1982. It is a fictionalized history of the United States space program, with a particular emphasis on human spaceflight. Michener writes in a semi-documentary style. The topics explored in the novel include naval warfare in the Pacific Ocean, air combat in the Korean War, test pilot life at 'Pax River', astronaut selection and training, the role of the media in promoting the space program as a national

achievement, and the development of the Gem
