In “The E-Myth Revisited”, Michael Gerber explains why small businesses fail, and how to overcome common mistakes in business, so you can build a successful business that not only works, but is also deeply rewarding for you and your stakeholders. In this summary, we’ll give a synopsis of these key business ideas in the book.

**Book Summary - The E-Myth
Revisited: Why Most Small ...**

- The E-Myth is the belief that small businesses are started by entrepreneurs risking capital to make a profit. This is

simply not so. The real reasons people start businesses have little to do with entrepreneurship. • Your business is nothing more than a distinct reflection of who you are.
