Living Alone Together Is a New Marriage Trend

As documented in the book Alone Together: How Marriage in America Is Changing, the sociologist Paul Amato and his colleagues have found that couples, as couples, are increasingly isolated. There is a "we" but the "we" has, on average, been growing thinner.

Today's Married Couples: Alone Together? | Institute for ...

The book notes the increased isolation of couples from others, particularly as couples engaged in shared activities and commitments. Couples do best when engaged in some significant shared commitments outside their relationship, such as to groups, clubs, church, and efforts to help others. So, this trend toward growing isolation is concerning.
