The seventh generation Honda Civic is an automobile which was produced by Honda from 2000 to 2005. It was released in September 2000 as a 2001 model. Compared to its predecessor, it retained similar exterior dimensions, but increased significantly in interior space thus bumping up Civic to a compact car size segment. There was a flat rear floor, giving better comfort to the rear seat passengers. This generation abandoned the front double wishbone suspension, which had been used in the fourth to
