Blue Lonesome *Open Road Media*

A New York Times Notable Book: A woman’s suicide leads a man to a Nevada mining town—and a nest of poisonous secrets—in this “top-notch thriller” (Publishers Weekly). There is something about the sad woman eating alone night after night at the Harmony Café that intrigues San Francisco CPA Jim Messenger. Unfulfilled himself, Jim feels a kinship with her—and later, when she commits suicide, he resolves to find out why. His search leads him to Beulah, a middle-of-nowhere mining town in the Nevada desert, where hatreds run deep, where secrets are as venomous as a rattlesnake bite, and where a stranger asking too many questions might inexplicably disappear. Still, in this dusty, barren landscape, Jim feels completely alive. And he’s not going anywhere until he uncovers the truth, even if it rips the whole town apart. Richly atmospheric and peopled with achingly human characters, Blue Lonesome is a crime novel as tense and coiled as a rattler ready to strike and as dark and hypnotic as the lonesome desert night.

Slapstick or Lonesome No More!

A Novel *Dial Press Trade Paperback*

“Some of the best and most moving Vonnegut.”—San Francisco Chronicle Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today’s follies. But even the end of life-as-we-know-it is transformed by Kurt Vonnegut’s pen into hilarious farce—a final slapstick that may be the Almighty’s joke on us all. “Both funny and sad . . . just about perfect.”—Los Angeles Times “Imaginative and hilarious . . . a brilliant vision of our wrecked, wacked-out future.”—Hartford Courant

Lonesome Animals *Catapult*

In Lonesome Animals, Arthur Strawl, a tormented former lawman, is called out of retirement to hunt a serial killer with a sense of the macabre who has been leaving elaborately carved bodies of Native Americans across three counties. As the pursuit ensues, Strawl's own dark and violent history weaves itself into the hunt, shedding light on the remains of his broken family: one wife taken by the river, one by his own hand; an adopted Native American son who fancies himself a Catholic prophet; and a daughter, whose temerity and stoicism contrast against the romantic notions of how the

west was won. In the vein of True Gritand Blood Meridian, Lonesome Animals is a western novel reinvented, a detective story inverted for the west. It contemplates the nature of story and heroism in the face of a collapsing ethos -not only of Native American culture, but also of the first wave of white men who, through the battle against the geography and its indigenous people, guaranteed their own destruction. But it is also about one man's urgent, elegiac search for justice amidst the craven acts committed on the edges of civilization.

Big Lonesome *HarperCollins*

An inventive, ranging debut story collection from a writer hailed by Charles Yu as "a stunningly original voice—warm, bleak, dark, ecstatic, full of silences and power and life" Reinventing a great American tradition through an absurdist, discerning eye, Joseph Scapellato uses these twenty-five stories to conjure worlds, themes, and characters who are at once unquestionably familiar and undeniably strange. Big Lonesome navigates through the American West—from the Old West to the modern-day West to the Midwest, from cowboys to mythical creatures to everything in between—exploring place, myth, masculinity, and what it means to be whole or to be broken. Though he works in the tradition of George Saunders and Patrick deWitt—writing subversive, surreal, and affecting stories that unveil the surprising inner lives of ordinary people and the mythic dimensions of our everyday lives—"Scapellato’s Big Lonesome is unlike anything else you’ve ever read" (Robert Boswell).

Picnic in the Storm *Corsair*

A housewife takes up bodybuilding and sees radical changes to her physique - which her workaholic husband fails to notice. A boy waits at a bus stop, mocking businessmen struggling to keep their umbrellas open in a typhoon - until an old man shows him that they hold the secret to flying. A woman working in a clothing boutique waits endlessly on a customer who won't come out of the fitting room - and who may or may not be human. A newlywed notices that her husband's features are beginning to slide around his face - to match her own. In these eleven stories, the individuals who lift the curtains of their orderly homes and workplaces are confronted with the bizarre, the grotesque, the fantastic, the alien - and, through it, find a way to liberation. Winner of the Kenzaburo Oe Prize, Picnic in the Storm is the English-language debut of one of Japan's most fearless young writers.

High, Wide and Lonesome

Growing Up on the Colorado Frontier *Open Road Media*

A memoir of a childhood homesteading in frontier Colorado: “A book from the heart . . . the stuff of the American dream” (The New York Times). In this memoir of a lost America, Hal Borland tells the story of his family’s migration to eastern Colorado as homesteaders at the turn of the twentieth century. On an unsettled and unwelcoming prairie landscape, the Borlands build a house, plant crops, and eke out a meager existence. While life is difficult—and self-reliance is necessary with no neighbors for miles—the experience brings the family close and binds them closer to the terrible and beautiful natural patterns that govern their lives. Borland would grow up to study journalism and become an acclaimed nature writer, and it was these childhood years on the prairie that shaped the author’s heart and mind.

Dog Run Moon

Stories *Dial Press*

In the tradition of Richard Ford, Annie Proulx, and Kent Haruf comes a dazzling debut story collection by a young writer from the American West who has been published in The New Yorker, Granta, and The Best American Short Stories. SHORTLISTED FOR THE DYLAN THOMAS PRIZE • 2017 PEN/HEMINGWAY AWARD HONORABLE MENTION A construction worker on the run from the shady local businessman whose dog he has stolen; a Custer’s Last Stand reenactor engaged in a long-running affair with the Native American woman who slays him on the battlefield every year; a middle-aged high school janitor caught in a scary dispute over land and cattle with her former stepson: Callan Wink’s characters are often confronted with predicaments few of us can imagine. But thanks to the humor and remarkable empathy of this supremely gifted writer, the nine stories gathered in Dog Run Moon are universally transporting and resonant. Set mostly in Montana and Wyoming, near the borders of Yellowstone National Park, this revelatory collection combines unforgettable insight into the fierce beauty of the West with a powerful understanding of human beings. Tender, frequently hilarious, and always electrifying, Dog Run Moon announces the arrival of a bold new talent writing deep in the American grain. Praise for Dog Run Moon “[An] excellent first book of stories . . . One of the great things about Dog Run Moon is how resilient and funny [the characters] are. They’re at the end of their ropes, but they can still howl about the joy and pain each day brings, as if the young Levon Helm were singing their stories. . . . This is Thomas McGuane territory, and also that of writers like Joy Williams and Jim Harrison.”—The New York Times “Wink is definitely not a writer of half measures; each of these stories demonstrates his ability to lay life bare. A significant collection highly deserving of the spotlight.”—Library Journal (starred review) “Myth and history color these highly satisfying fictions about the way men and women struggle to shape their lives.”—Kirkus Reviews (starred review) “The perils of work and the weight of bequeathal fuel these stories, and each one holds a lasting, unshakable image. Sometimes grace is bestowed upon the characters in a sidwinding, not altogether fabulous fashion; sometimes it’s not bestowed at all. Callan Wink seems to know well the stratagems and delusions of men’s hearts. He also seems born and bred to short-story mastery.”—Joy Williams, author of The Visiting Privilege “Callan Wink’s debut is impressive indeed. Fine, old-fashioned, rich and juicy fiction. Weeks later I’m still living with the characters.”—Jim Harrison, author of Legends of the Fall “Callan Wink’s fresh, urgent stories have an energy and propulsion that set them well apart from the cerebral finger painting of so much literary fiction. Here is a writer with a great big horizon.”—Thomas McGuane, author of Crow Fair “Callan Wink’s stories remind me of expertly tied trout flies—beautifully crafted, true to reality, and barbed. What a fine young writer.”—Ron Rash, author of Above the Waterfall “As in all the best collections, each and every story in Dog Run Moon sings in the essential registers of love and death, work and nature. Callan Wink has the wisdom to write only of the things that matter, and the talent to make these stories as fresh as the literary headwaters

from which they come.”—Smith Henderson, author of Fourth of July Creek

The Lonesome West *A&C Black*

"The play combines manic energy and physical violence in a way that is both hilarious and viscerally exciting" Daily Telegraph Valene and Coleman, two brothers living alone in their father's house after his recent death, find it impossible to exist without the most massive and violent disputes over the most mundane and innocent of topics. Only father Welsh, the local young priest, is prepared to try to reconcile the two before their petty squabbings spiral into vicious and bloody carnage. The Lonesome West was first presented as a Druid Theatre company and Royal Court co-production in the summer of 1997.

But neither of these superhuman warriors is prepared for the strange and harrowing world of mortal life, and The Thing That Cries in the Night may well destroy not only their worlds, but all mankind. As Zelazny did with the Hindu pantheon in the legendary, groundbreaking classic Lord of Light, the master storyteller here breathes new life into the Egyptian gods with another dazzling tale of mythology and imagination.

Lonesome Point

A Mystery *Minotaur Books*

Different as they are, the Varela brothers are bound by a decades-old secret surrounding the events of one long-ago night during their childhood back home in their native Belize. Today Patrick is the Miami-Dade County commissioner and a probable candidate for mayor of Miami, while his brother, Leo, a sometime poet and mental health worker, spends more time getting high than anything else. Still, they've both been struggling for years to completely sever their ties to their father, his illegal businesses, and his secrets. But those years quickly vanish the moment an old friend recently released from prison asks Leo to release a patient from the mental hospital where Leo works. He calls it a favor, but the threat is clear to Leo, Patrick, and---more dangerously---the men with a stake in Patrick's political career. The request sets off a chain of events destined to lay bare once and for all the truth about what happened that night, and maybe even to pit brother against brother in their efforts to finally set things right. Moody, atmospheric, and evocative, Lonesome Point showcases the distinct and rhythmic voice that makes Ian Vasquez a unique talent among today's crime writers.

My Life at the Bottom

From award-winning Nordic author and illustrator Linda Bondestam comes a new kind of climate change story, narrated by an adorable axolotl who is--possibly--the last of its kind. In a forest of seaweed there was ME, a rare and beautiful little axolotl, going for my first-ever swim. So graceful, and yet so lonesome--out of 987 eggs, mine was the only one that hatched. Who knows, maybe I was the last axolotl in these waters? At the bottom of a lake in Mexico City, our axolotl narrator goes to underwater school, collects treasures tossed away by the big lugs on land, and has dance parties with tiger salamander friends. Life is good! But as the world gets hotter and hotter, the water gets murkier. Friends become harder to find, and the lonesome axolotl grows even lonelier. Until one day when, out of the blue, a colossal wave carries the axolotl into a surprising new future.... Bittersweet, droll, existential, and hopeful, My Life at the Bottom is a tale from the climate crisis unlike any other. Combining her irresistible visual wit with exquisite aquatic art and rare empathy, Linda Bondestam brings us a story of catastrophe that bursts with life.

The Western Lonesome Society

In this hilarious, poignant, over-the-top Western, readers are introduced to Jim O Brien who is writing a quixotic saga of his ancestors who grew up

with a tribe of Comanche. As his grip on reality loosens, O Brien weaves into his tale an RV trip through the soul of the west and includes a whole host of characters such as modern day stalkers, drug dealers, secret agents, strippers, a mad linguist, an imaginary therapist, and Ernest Hemingway. Having been displaced, each of the characters must embark on the great American quest for a place to truly call home."

The Trail of the Lonesome Pine *University Press of Kentucky*

John Fox Jr. published this great romantic novel of the Cumberland Mountains of Kentucky and Virginia in 1908, and the book quickly became one of America's favorites. It has all the elements of a good romance—a superior but natural heroine, a hero who is an agent of progress and enlightenment, a group of supposedly benighted mountaineers to be drawn into the flow of mainstream American culture, a generous dose of social and class struggle, and a setting among the misty coves and cliffs of the blue Cumberlands. Reprinted with a foreword by John Ed Pearce, The Trail of the Lonesome Pine has all the excitement and poignance that caught and held readers' interest when the book first appeared.

Dilvish, the Damned *Del Rey*

Lonesome Traveler *Grove/Atlantic, Inc.*

In his first frankly autobiographical work, Jack Kerouac tells the exhilarating story fo the years when he was writing th books that captivated and infuriated the public, restless years of wandering during which he worked as a railway brakeman in California, a steward on a tramp steamer, and a fire lookout on the crest of Desolation Peak in the Cascde Mountains.

Don't the Moon Look Lonesome

A Novel in Blues and Swing *Vintage*

Stanley Crouch's gloriously bold first novel provides an intimate and epic portrait of America that breaks all the rules in crossing the boundaries of race, sex, and class. Blonde Carla from South Dakota is a jazz singer who has been around the block. Almost suddenly, she finds herself fighting to hold on to Maxwell, a black tenor saxophonist from Texas. Their red-hot and sublimely tender five-year union is under siege. Those black people who oppose such relationships in the interest of romantic entitlement or group solidarity are pressuring Maxwell, and he is wavering. As Carla battles to save the deepest love of her life, her past plays out against the present, vividly bringing forth a startlingly fresh range of characters in scenes that are as accurately drawn as they are unpredictable and innovatively conceived.

Lonesome Jar: Poetic Fables *Seoul Selection*

The title piece “A Hangari Jar” tells the story of the first jar made by a young potter. Unhappy with his first effort, the potter dumps the unsightly jar in his yard. The long-abandoned jar eventually finds use as a pisspot, but is forgotten once again as the potter dies and his kiln crumbles into ruin. The jar spends years in anguish, longing for meaning and value in life. Finally, it is discovered by the potter’s son, who returns to his father’s kiln as a monk. Building a temple and bell pavilion on the ruins, the monk awards the jar its long-awaited purpose—it is buried under the bell as a resonance chamber, giving the bell a clear, ringing tone. At long last, the once forlorn jar becomes “something precious for this world.” Reminding readers that waiting is not in vain, the jar muses, “No matter whose life it is, if you go on waiting and trying . . . life’s dream will come true.” The stories in Lonesome Jar: Poetic Fables follow the travails and triumphs of such objects and animals, presenting charmingly anthropomorphized fables. “Lovebirds” tells the story of a one-winged bird that can only fly after finding his other half; “Surprise Lilies” relates a tale of two cousins turned respectively into a flower and its leaves in punishment for their forbidden love; “The Seomjingang River” gives the account of a rebellious river that finally accepts its destiny of becoming the sea. The brief yet meaningful fables offer insight into the love, patience, and relationships of our human world; with compassion for life and its challenges, they whisper to readers that to live is to love and grow together. Lonesome Jar: Poetic Fables offers twenty such gems that demonstrate Jeong’s broad and integrative worldview that spans both Buddhist and Christian traditions.
