Young Francois Joubert, living in the remote region bordering the Kalahari Desert, thrills to the wonder of the still-primitive land until his idyllic world is shattered by the political violence of contemporary Africa

### **A Story Like the Wind** *Random House*

This is a story of an almost vanished Africa; a world of myth and magic in which the indigenous peoples of the continent lived for uncountable centuries before the Europeans came to shatter it. The main character is a boy who has a relationship with this Africa not unlike Kipling's Kim with the antique world of India. François Joubert, whose Huguenot ancestors settled in Africa three hundred years ago, lives as a solitary child on his father's farm. 'Hunter's Drift'. Here, in the far interior of Africa, he experiences the wonder and mystery of an ageless, natural primitive life, his perception of it heightened by the influence of three people in particular - his Bushman nurse, the head herdsman of the local Matabele clan (his father's chosen partners in the pioneering of Hunter's Drift), and a hunter of legendary fame, now the chief ranger of a vast game reserve nearby. François' meeting with an untamed Bushman, Xhabbo, whose intuitive teaching nourishes his spirit; his strange

pilgrimage to the distant krall of a powerful witch-doctor; his dramatic encounter and relationship with the daughter of a retired colonial governor; all are examples of African point and European counterpoint, in a highly original theme, moving to a strangely presaged and omened climax.

Following *The Highest Tide*, *Border Songs*, and *Truth Like the Sun*, Jim Lynch now gives us a grand and idiosyncratic family saga that will stand alongside Ken Kesey's *Sometimes a Great Notion*. Joshua Johannssen has spent all of his life surrounded by sailboats. His grandfather designed them, his father built and raced them, his Einstein-obsessed mother knows why and how they work (or not). For Josh and his two siblings, their backyard was the Puget Sound and sailing their DNA. But both his sister and brother fled many years ago: Ruby to Africa and elsewhere to do good works on land, and Bernard to god-knows-where at sea, a fugitive and pirate. Suddenly thirty-one, Josh—who repairs boats of all kinds in a Steinbeckian marina south of Seattle—is pained and confused by whatever the hell went wrong with his volatile family. His parents are barely speaking, his mystified grandfather is drinking harder, and he himself—despite an endless and comic flurry of online dates—hasn't even come close to finding a girlfriend. But when the Johannssens unexpectedly reunite for the most important race in these waters—all of them together on a classic vessel they made decades ago—they will be carried to destinies both individual and collective, and to a heart-shattering revelation. Past and present merge seamlessly and collide surprisingly as Jim Lynch reveals a family unlike any other, with the grace and humor and magic of a master storyteller.

#### **ONCE THEY MOVED LIKE THE WIND: COCHISE, GERONIMO,** *Simon and Schuster*

During the westward settlement, for more than twenty years Apache tribes eluded both US and Mexican armies, and by 1886 an estimated 9,000 armed men were in pursuit. Roberts (Deborah: *A Wilderness Narrative*) presents a moving account of the end of the Indian Wars in the Southwest. He portrays the great Apache leaders—Cochise, Nana, Juh, Geronimo, the woman warrior Lozen—and U.S. generals George Crook and Nelson Miles. Drawing on contemporary American and Mexican sources, he weaves a somber story of treachery and misunderstanding. After Geronimo's surrender in 1886, the Apaches were sent to Florida, then to Alabama where many succumbed to malaria, tuberculosis and malnutrition and finally in 1894 to Oklahoma, remaining prisoners of war until 1913. The book is history at its most engrossing. —Publishers Weekly
