And, because everyone teaches and learns a little differently, there are lots of options for working with the literature, including case studies on individual works and themes that everyone can relate to. In-depth chapters on major authors like Flannery O'Connor and Emily Dickinson take students deeper into their work, and the new tenth edition features a chapter on the fiction of Dagoberto Gilb, created in collaboration with the author himself — one more way that the anthology showcases literature as a living, changing art form.

The Bedford Introduction to Literature

Reading, Thinking, Writing *Bedford Books*

The Bedford Introduction to Literature responds to the teaching and learning needs of all kinds of literature classrooms and composition courses where literature is a focus. Author Michael Meyer understands that a particular challenge for instructors is

that students do not necessarily see literature as relevant to their lives. They may be new to the study of literature, may have difficulty reading it, and may lack confidence in their critical abilities and writing skills. With these factors in mind, Meyer has put together a lively collection of stories, poems, and plays from many periods, cultures, and themes, with voices ranging from the traditional to the latest and hottest contemporary authors. As an experienced anthologist and instructor of literature, Meyer has a knack for choosing enticing selections including humorous works and readings from popular culture that students both enjoy and respond to. Complementing this unparalleled collection are proven editorial features that offer students real help with reading, appreciating, and writing about literature. The Bedford Introduction to Literature is a book designed to bring literature to life and to make students life-long readers. - Publisher.

Methods of Text and Discourse Analysis

In Search of Meaning SAGE

'This volume is the most comprehensive overview to date of sociologically orientated approaches to text and discourse analysis and is worth reading even for those who are interested

only in purely linguistic approaches to text and discourse. Its main merit, I think, is that it introduces approaches which up to now have hardly been admitted into the universe of scientific discourse' - Discourse Studies Methods of Text and Discourse Analysis provides the most comprehensive overview currently available of linguistic and sociological approaches to text and discourse analysis. Among the 10 linguistic and sociological models surveyed in this book some of the more important are Grounded Theory, Content Analysis, Conversation Analysis and Critical Discourse Analysis. The book presents each approach according to a standardised format, which allows for direct systematic comparisons. The fully annotated lists of sources provide readers with an additional means of evaluation of the competing analytical methods. Interdisciplinary and international in its aims, Methods of Text and Discourse Analysis suggests the benefits both linguists and sociologists will derive from a more intimate knowledge of each others' methods and procedures.

Poetry

An Introduction

Pretty Is

A Novel *Henry Holt and Company*

"[A] stunning, multilayered debut . . . with a great deal of intelligent, beautifully written panache. . . . What a satisfying novel, with its shifting perspectives and competing stories and notion that our relationship to the truth changes with time and distance." -The New York Times A fiercely imagined fiction debut in which two young women face what happened the summer they were twelve, when a handsome stranger abducted them Everyone thought we were dead. We were missing for nearly two months; we were twelve. What else could they think? -Lois It's always been hard to talk about what happened without sounding all melodramatic. . . . Actually, I haven't mentioned it for years, not to a goddamned person. -Carly May The summer precocious Lois and pretty Carly May were twelve years old, they were kidnapped, driven across the country, and held in a cabin in the woods for two months by a charismatic stranger. Nearly twenty years later, Lois has become a professor, teaching British literature at a small college in upstate New York, and Carly May is

an actress in Los Angeles, drinking too much and struggling to revive her career. When a movie with a shockingly familiar plot draws the two women together once more, they must face the public exposure of their secret history and confront the dark longings and unspeakable truths that haunt them still. Maggie Mitchell's *Pretty Is* beautifully defies ripped-from-the-headlines crime story expectations and announces the debut of a masterful new storytelling talent.
