The result has been a series of radical agitations on the part of farmers determined to better their lot. These movements have manifested different degrees of coherence and intelligence, but all have had something of the same purpose and spirit, and all may justly be considered as stages of the still unfinished agrarian crusade.

The Agrarian Crusade; a chronicle of the farmer in politics by Solon J. (Solon Justus) Buck When President Johnson authorized the Commissioner of Agriculture, in 1866, to send a clerk in his bureau on a trip through the Southern States to procure "statistical and other information from those States," he could scarcely have foreseen that this trip would lead to a movement among the farmers, which, in varying forms, would affect the political and economic life of the nation for half a century.

The agrarian crusade : - Biodiversity Heritage Library

Agrarianism as a political and social philosophy relates to the ownership and use of land for farming, or to the part of a society or economy that is tied to agriculture. Agrarianism and agrarians will typically advocate on behalf of farmers and those in rural communities. While many schools of thought exist within agrarianism, historically a recurring feature of agrarians has been a commitment to egalitarianism, with agrarian political parties normally supporting the rights of small farmers and
