The Village In The Jungle

The Village in the Jungle is a novel by Leonard Woolf, published in 1913, based on his experiences as a colonial civil servant in British-controlled Ceylon in the early years of the 20th century. Ground-breaking in Western fiction for being written from the native rather than the colonial point of view, it is also an influential work of Sri Lankan literature. It was republished by Eland in 2008.

The Village in the Jungle - Wikipedia

The story of Village in the Jungle is full of acrimony. It is disgusting to see that human beings are subjected to such levels of torture and misery by their own neighbors and the administrators. Unfortunately the story of the novel is not unique only to Baddegama. It is the story of the rural Sri Lanka during

colonial times.
