God's Crime Scene was written to help you examine the nature of the universe as you sift through eight important characteristics of the cosmos, biological organisms and human experience, considering each as though it were a piece of evidence at a crime scene. You'll be introduced to the methodology used by detectives to "determine the most reasonable explanation in light of the evidence" and you'll be challenged to examine eight important pieces of evidence common to our human ...

God's Crime Scene: A Cold-Case Detective Examines the ...

God's Crime Scene is a compelling examination of the evidence for the creation of the universe by God. God's Crime Scene, like Jim Wallace's previous book, Cold-Case Christianity, uses examples of criminal cases to determine if divine creation is a viable alternative to naturalism. Wallace clearly shows that Someone "outside the room" was responsible for the "crime scene" of cosmic creation, the

origin of life, human consciousness, and transcendent moral truths.

In God's Crime Scene for Kids, real-life detective J. Warner Wallace shows kids ages 8 to 12 what skills are needed to solve Jason's mystery, and at the same time looks at evidence in the universe that demonstrates God is the creator. Ultimately, kids will learn how to make their own case for God's existence.

God's Crime Scene is a unique apologetics overview, introducing a variety of arguments and lines of evidence for God's existence from the perspective of a Cold Case Homicide Detective. It's my goal to provide a satisfying examination of eight pieces of evidence in our universe, without wandering too deeply into esoteric scientific or philosophical detail.

God's Crime Scene: A Cold-Case Detective Examines the ...

"God's Crime Scene" is an apologetic book that looks at evidence about the origins of the universe from the point of view of a cold case

detective. Does the universe (including the earth, humans, and even their minds) show evidence of outside tampering or can the evidence be explained in purely naturalistic terms?
