Healing Back Pain with Osteopathic Tension Releasing ...

Back Pain. Back pain is a common condition, affecting a third of the adult population each year. Most episodes of back pain will resolve within a few days, but sometimes the pain will persist and it is in these situations manual therapy is uniquely placed to help. Osteopathic treatment has been shown to be effective for the treatment of low back pain (see articles 1 and 2 at the bottom of this page) and many people prefer to use our therapists because treatment does not require the use of ...
