Loving Nature, Fearing the State Environmentalism and Antigovernment Politics before Reagan

Loving Nature, Fearing the State

A "conservative environmental tradition" in America may sound like a contradiction in terms, but as Brian Allen Drake shows in *Loving Nature, Fearing the State*, right-leaning politicians and activists have shaped American

environmental consciousness since the environmental movement's..

Loving Nature, Fearing the State - Brian Allen Drake ...

In *Loving Nature, Fearing the State: Environmentalism and Antigovernment Politics before Reagan*, Brian Allen Drake demonstrates that the usual story—pitting liberal Democratic environmentalists against conservative Republican opponents—overlooks the complex ways in which conservatives engaged in modern American environmental politics. In making this argument, Drake contributes both to the growing literature on the rise of the conservative Right and to studies on the American ...

PDF Download Loving Nature Fearing The State Full Books ...

In *Loving Nature, Fearing the State*, Brian Drake examines this passage, arguing that the rise and development of American environmentalism in the postwar years was entangled with classical conservative political values--particularly antistatist views about big government and laissez-faire capitalism--that created complex ideological, political, and environmental

amalgamations, which proved difficult to maintain as the conservative wing of the Republican Party rose to dominance in the Reagan ...

Loving Nature, Fearing the State: Environmentalism and ...

Loving Nature, Fearing the State traces the influence of conservative environmental thought through the stories of important actors in postwar environmental movements. The book follows small-government pioneer Barry Goldwater as he tries to establish federally protected wilderness lands in the Arizona desert and shows how Goldwater's intellectual and ideological struggles with this effort provide a framework for understanding the dilemmas of an antistatist environmentalism.

**Loving Nature, Fearing the State:
Environmentalism and ...**

Loving Nature, Fearing the State is
suited for upper-division or graduate
courses in environmental history and the
postwar United States. It should
stimulate fruitful discussions among a
generation of students who have little
exposure to environmental problems
outside the framework of polarized
politics.
